**LEAF PICK UP  
AREA MAP**

### Leaf Pick Up

Public Works will pick up leaves (and only leaves) beginning in October. Above is a map and schedule showing eight numbered areas and dates when city crews are expected to pick up leaves in your neighborhood. Please remember, these dates may change due to weather or other unforeseen circumstances. To reduce flooding, please put leaves in the street no sooner than one day prior to the first pick up day scheduled for your area and allow six inches of drainage space between leaves and the curb. For smaller leaf piles, please place them in your yard debris container for pick up by the Gladstone Disposal Company. Because catch basin grates may get clogged with leaves before city crews arrive, Public Works asks for your help in cleaning off catch basin grates whenever they become covered with leaves.

## Family History Conference

Milwaukie State Family History Conference, "Forget Me Not" is scheduled for Saturday, November 14, 2015 from 9am to 5:15pm at the LDS Church, 8331 Cason Road. There will be 24 classes throughout the day. No cost to attend. Walk ins welcome. Free lunch is provided. Pre-registration at: <http://milwaukiefamilyhistoryconference.blogspot.com> continues through November 12th.

## Planning & Permits

The City contracts with Clackamas County for administration of the City's land use planning and building permits, including plumbing, electrical, grading, etc. For information, visit the county's website at [www.clackamas.us/building](http://www.clackamas.us/building).

## Street Light Out

Contact Portland General Electric (PGE) at 1-800-544-1795 (press "3") or email information, including address of streetlight outage, nearest cross street, pole and map number (on pole), if available, to [lightout@pgn.com](mailto:lightout@pgn.com).

## Drop off Unwanted Prescriptions @ Gladstone Police Dept. (GPD)

Flushing drugs down the toilet or putting them into the garbage have damaging effects on our environment and can contaminate our surface and groundwater supplies. Both drinking water and wastewater treatment plants are not designed to treat these kinds of chemicals. Unused or expired prescription medications are also a public safety threat, leading to accidental poisoning, overdose and abuse. Drop off your old or unwanted prescriptions at the Gladstone Police Department Lobby—MED RETURN receptacle. The green and blue "Med-Return" receptacle has easy to follow directions, does not require any paperwork, and there is no fee! Just make sure you are dropping only the items listed on the receptacle during regular business hours, 8am to 5pm, Monday-Friday, except for holidays.

## What to Recycle at Home & Work

**YES, Please:** Mixed Paper, Cardboard & Cartons: junk mail, office paper, newspapers, magazines, phone books, cereal and cracker style boxes, milk, juice and soup cartons (rinse & drain). Plastic Bottles, Tubs & Buckets: clean bottles and tubs, 6 oz. and larger, plastic buckets 5 gallons or smaller, rigid nursery pots 4" across & larger. Metal Cans, Foil & Scrap Metal: clean cans, foil, pie plates & trays; empty spray cans, scrap metal up to 30 lbs and no longer than 30".

**NO, thank you:** Frozen food boxes, coffee cups, pizza boxes, pet food bags, paper towels, paper plates, napkins & tissue: these contain wet strength, an additive, which means these items won't break down in the paper making process. Plastic Bags & Film: these items jam the machinery during the recycling sorting process, causing worker injury and additional labor costs. To-Go Boxes, Cups, Plates, Clamshells & Styrofoam: these plastics have limited or no demand by manufacturers.

**On the Side:** Glass Bottles & Jars: clean glass bottles and jars go in SEPARATE recycling container. Motor Oil: recycle motor oil in marked, unbreakable container, not larger than two gallons, with a screw-top lid.

## Wipes in Sewer System

**Wipes can 'wipe out' costly sewer systems** - Wet wipes, baby wipes, cleansing wipes, disinfecting wipes, surface wipes, hand wipes, antibacterial wipes, bathroom wipes or disposable moist towelettes. Whatever you call them, no matter what the packaging says, DO NOT FLUSH! The packaging might say they're flushable, but wipes, no matter the cleaning purpose, are causing expensive problems for sewer operators all over the world and should be disposed of in a waste receptacle and sent to a landfill to decompose. Residents are reminded that Chapter 13.12.070(3) of the Gladstone Municipal Code states: "The customer shall be responsible for the maintenance of the private sewer line from the public sewer connection to the premises served. The City shall not be liable for any damage accruing from the failure of a private sewer or of fixture of appurtenances attached thereto."

## Utility Bill Drop Box

Did you know you can drop off your monthly utility bills, including: PGE, NW Natural, Gladstone Water/Sewer and Gladstone Disposal, at the Senior Center? No stamps needed! The drop box is conveniently located inside the main entry door.

## Signs

Local elections take place on November 3rd. Before posting political signs, here are some helpful reminders: \*no application or fees are required to post a sign on your own private property; \*No sign shall extend into the public right-of-way; \*No sign shall be attached to a tree or utility pole. For sign details, see Chapter 17.52 of the Municipal Code at [www.ci.gladstone.or.us](http://www.ci.gladstone.or.us).

## "Wild West" Fall Carnival

October 28th, 6-8pm at Gladstone First Baptist Church, 6125 Caldwell Rd. FREE fun for the whole family! Safe & dry inside. Free "fixins" to eat. Lots of games & candy for the Little Cowpokes and even some fun for the grown ups too! Wear a western outfit, or any non-scary costume! For information, call Michelle at 503-654-7728.

## Winterize Irrigation System

Fall is the time to start thinking about winterizing your irrigation system to protect your valuable investment before the first frost. Extended periods of freezing temperatures can cause considerable damage to underground irrigation systems. Expansion of frozen water will crack water lines and damage internal gearing in the sprinkler head. Initiating an annual winterization program is a positive step toward preventative maintenance care and will save you from problems next spring. You may hire a local landscape/irrigation specialist to perform the winterization procedure. This is also a good time to have your backflow device tested if not already done as required. For information on winter water conservation tips and how to use outdoor water wisely, call 503-723-3511 or visit [www.clackamasproviders.org](http://www.clackamasproviders.org).

## City Board Vacancies

There is one vacancy on the Park and Recreation Board, term to expire 12-31-16. The City Council will consider requests for appointment to the Park and Recreation Board at their meeting on November 10th. To obtain an application or information, stop by City Hall or visit the city's website at [www.ci.gladstone.or.us](http://www.ci.gladstone.or.us). Applications must be returned to City Hall by 5pm on Monday, November 2nd.

## Check Payment for City Bills/Fees

Due to recent changes at financial institutions, the City is requesting when residents issue checks to pay for their utility (water/sewer) bills, library fines, senior center rental fees, police or fire reports, vehicle releases, business licenses, fowl permits, etc. checks be made payable to "City of Gladstone." Thank you.

## Gladstone Fire Dept. (GFD) Updates

**\*Flashing Lights Mean STOP:** Cars continue to drive in front of and behind the fire engine as it backs into the fire station. Please **DO NOT DRIVE AROUND** a fire engine when emergency lights are flashing at any time. Firefighters are around the engines to direct traffic—safely—and are very aware that you want to drive on as quickly as possible. It takes approximately 45 seconds for engines to back into the station. Gladstone Police will begin citing violators when unsafe actions are witnessed. Thank you!

**\*Visible Address:** The firefighters in Gladstone have responded to over 1160 calls for help so far in 2015. Statistics indicate the GFD will reach over 1600 calls for assistance this year. Of all the houses, apartments and businesses in town, about 15-20% do not have clearly identifiable addresses posted. Please be sure your house numbers are lighted on a contrasting background and are at least 4 inches (4") high. Six inch (6") numbers are substantially more visible. Please do your part to make your house easy to find in the event of an emergency! For additional information, contact Mike Funk, Fire Marshal, at 503-557-2775.

## Gladstone Police Department (GPD) Updates

**\*Welcome to our New Police Officer:** Please join us in welcoming Carl Bell, Gladstone's newest Police Officer. He comes to us with 15 years of police service that includes 14 years in Pullman, WA and was sworn in at the September City Council meeting. Welcome!

**\*Fall Safety Tips:** As the seasons begin to change and daylight hours get shorter, it's time to think about fall and winter safety. Rain and fog can obscure vision, especially while driving, so be sure to turn on your headlights, slow down (especially in residential and school areas) and increase the distance between you and the vehicle ahead of you in case you need additional stopping distance. Check your windshield wipers and replace them as needed. If you're out jogging or walking the dog, **wear bright colors so others can see you.** Florescent col-

ors are always a good choice and many coats, gloves, hats and athletic shoes come with reflective strips on them. Running flashers are inexpensive and a good way to increase your visibility to others. Be sure to cross streets at designated areas and use sidewalks whenever possible. When crossing the street, check both ways and then check again to be certain it's safe to cross!

**\*Clackamas County Emergency Notification System (CCENS):** Did you know the 9-1-1 system can call you to share emergency alert information? To learn about the CCENS, go to the Clackamas County Emergency Management website at [www.clackamas.us/911](http://www.clackamas.us/911). There is a section that describes the emergency notification system and it includes a "FAQ" section to answer your questions and instructions on how to sign up to receive alerts on your phone.

## Hanging Tree Branches

Public Works is asking residents to trim low hanging tree branches that may damage vehicles or injure pedestrians by cutting branches seven feet (7') above sidewalks and fourteen feet (14') above streets. Please cut up your branches and place them in your yard debris cart. If Public Works determines

there is a risk of damage or injury, they may cut your tree branches without notice. Also, during winter months, please remove portable basketball hoops from city streets to reduce interference with street sweeping.

## Wildland Fires Update

All Gladstone crews and equipment are back and safe. Equipment is cleaned and ready to serve the State again if called upon. Gladstone Fire has responded twice this year to Conflagrations, near Canyonville and John Day, Oregon. Firefighters report huge successes while they were there protecting homes. They also reported unbelievable devastation in the hours before the strike team arrived to provide protection. Experts are reporting a severe fire threat to state lands is expected through October. **A few September rain sprinkles do not reverse months of drought conditions!** At home here in Gladstone, residents are reminded to use extreme caution with any small recreational fires. While it may be legal to burn a small recreational fire, it does not mean it is a wise idea to do so for another month. If you insist on burning, remember you are **only allowed to burn clean seasoned fire wood.** At no time are you ever allowed to burn: grass, trees, weeds, garbage, yard debris, plastics, any painted materials, and construction debris. Keep the fire small, 10 feet from the house, watch tree overhang, control flying embers and have your garden hose near your fire pit. For burning questions inside Gladstone, call the Fire Marshal at 503-557-2775.

## Sidewalks and Clear Vision

A couple of residents recently expressed concern about sidewalks and clear vision. The Gladstone Municipal Code states that property owners are responsible for maintaining sidewalks abutting their property and are liable to any person suffering injury due to a defective sidewalk. The City's general standard for sidewalk maintenance states "not to exceed 1/2" vertical lift." This is similar to property owners being responsible for maintaining landscaping for clear vision of motorists at street intersections. Both the property owner and the City can be held liable for accidents when they are notified but fail to remove clear vision obstructions. Please check the condition of sidewalks along your property and check for adequate clear vision if your property is located at a street intersection.

## Street Parking Regulations

We are approaching the time of year when owners of boats, trailers, and RVs are preparing them for winter storage. Gladstone Code Enforcement would like to remind its citizens that there are city ordinances regulating on-street parking, and these ordinances are very specific as to the type of vehicles that can be parked on city streets. Chapter 10.04.230 of the Gladstone Municipal Code (available online on the city's website, [www.ci.gladstone.or.us](http://www.ci.gladstone.or.us)) describes parking issues. Please be mindful of your neighbors and use alternative parking, such as RV pads or local RV storage facilities, etc. By following these guidelines we can all enhance our city services, improve public safety and help make our neighborhoods more "neighbor friendly" for the citizens of Gladstone.

## Nuisances

Similar to most cities, Gladstone administers a "nuisance code" that essentially prohibits conditions that may affect public health or safety. For example, unsanitary and unsafe conditions such as accumulations of debris or rubbish, storage of junk, obstructing clear vision at intersections is prohibited by the nuisance code. A public nuisance may also be caused by any fence, dam or other obstruction of any kind in a natural water course that could back up water and significantly affect other property or improved public street. For questions about nuisances, contact code enforcement at 503-479-6859 or [boyle@ci.gladstone.or.us](mailto:boyle@ci.gladstone.or.us)

## "Fall Into Art" Show & Sale

The North Clackamas Arts Guild invites you to "Fall into Art" Show & Sale. Sale starts on October 17th at 3pm and runs through October 18th at Liz's Creative Café, 9401 SE 32nd, Milwaukie. Participate in the "Peoples Choice" award by voting for your favorite artwork. Please join us to indulge in wonderful food, atmosphere and inspiring fine art. For info, visit [www.ncartsguild.com](http://www.ncartsguild.com).

## Audit Reports

The past five years of audit reports for the City of Gladstone & Gladstone Urban Renewal Agency are posted on the city's website.

## Gladstone Annual School Bazaar

Mark your calendar for Saturday, October 31st, (yes that is Halloween!) to attend the annual Gladstone Christmas Bazaar at the Gladstone High School cafeteria, 18800 Portland Ave. The cafeteria will be buzzing with excitement with 65+ tables. The sale hours are 9am to 4pm. The Boy Scouts will be serving beverages, lunch and treats. The school is handicap accessible. Both new and returning vendors will provide a variety of items at reasonable prices, including: Thanksgiving, Christmas, gift, food, personal and home décor items. Emphasis will be on hand-made articles of wood, ceramic, fabric, jewelry, soap, paper and more. Popular sale items include hand-painted ornaments, painted wood, decorations, floral and the ever-present snowmen! Jump start your holiday shopping and support local crafters! For info, call Teena Reed at 503-997-7068. Please help support the school and Boy Scouts. Proceeds benefit the At-Risk High School Kids program.

## Graffiti on Fences

Residents are reminded to check street side fences for unwanted graffiti. You may not be able to see your street side fence line, but school bus children can. Please remove unwanted graffiti as soon as it is discovered!

## Meals on Wheels Fundraiser

Gladstone Family Dentistry (GFD), 1105 Portland Ave, is proud to announce a special partnership with Gladstone Meals on Wheels. GFD will donate the proceeds from every new patient they see in the month of September to the Gladstone Senior Foundation. Each **new** patient's first appointment, cleaning and check up costs just \$19.95! This makes a positive impact on the lives of senior citizens in Gladstone. Learn more at <http://gladstonefamilydentistry.com/new-patient-special/> or call 503-450-0123 for additional information.
