CLACKAMAS FIRE DISTRICT #1 REPORT

FIRE CHIEF'S REPORT

August 2022

Here for you

The month of July saw the summer finally come in. People had the opportunity to enjoy their community and meeting their firefighters. Clackamas Fire had a great time at Max Patterson Park where Engine 322 made appearances at the city events.

The Gladstone Community Fire Station remodel got underway. With demolition and construction in the living and office space of the station, the firefighters have shifted to working out of the office across the street.

On July 7th, ten lateral-hire firefighters graduated the recruit academy.

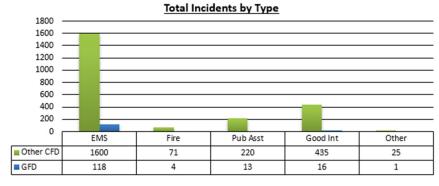

Clackamas Fire risk reduction messaging included firework safety, wildfire prevention and water hazards. There were 152 incidents in Gladstone in July.

The State of California requested assistance from Oregon for the McKinney Fire. The state sent three task forces to the fire. This included one from Clackamas County for which the district sent two Type III engines, one water tender, and the task force leader.

GLADSTONE CITY COUNCIL MEETING MINUTES OF JULY 12, 2022

Meeting was called to order at 6:30 P.M. – (Via Zoom and In Person)

ROLL CALL:

Mayor Tammy Stempel, Councilor Ripley, Councilor Alexander, Councilor Tracy, Councilor Todd, Councilor Hartman, Councilor Garlington

ABSENT:

STAFF:

Jacque Betz, City Administrator; Darren Caniparoli, Public Works Director; John Schmerber, Police Chief; Cathy Brucker, Finance Consultant; Ashley Driscoll, City Attorney; Tami Bannick, City Recorder

Mayor Stempel called the meeting to order and explained that the City is abiding by guidelines set forth in House Bill 2560, which requires that they make all meetings accessible remotely, through technologic means and provide the opportunity for the public to participate to the best of their ability. This meeting will be open to the public, both in person and virtually, using the Zoom platform. The Council members and staff will be in person, as well as those citizens who wish to attend in person. She went over the procedures that will be followed for the meeting and the meeting agenda.

AGENDA ADDITIONS OR CORRECTIONS:

None.

CONSENT AGENDA:

- 1. Approval of June 14, 2022 Regular Meeting Minutes
- 2. Approval of May Bank Balances
- 3. Budget Report for Period ending 5-31-2022
- 4. Approval of May Check Register

- 7. Consider approval of a contract for the 2022 Gladstone Street Pavement Repair Project to K&L Industries in the amount of \$654,552.00

Councilor Tracy made a motion to approve the Consent Agenda. Motion was seconded by Councilors Alexander and Hartman. Ms. Bannick took a roll call vote: Councilor Alexander – yes. Councilor Tracy – yes. Councilor Hartman – yes. Councilor Garlington – yes. Councilor Ripley – yes. Mayor Stempel – yes. Motion approved with a unanimous vote.

REPORT FROM CLACKAMAS FIRE DISTRICT #1:

Chief Browne said it's been a busy month. The transition has been going well. They have completed the inventory. There was some excess equipment, such as radios, which will be returned to Gladstone to be put to use here. The remodel project is just starting, so they will be occupying the old Fire office across the street during that project. He has been participating in the Department Head meetings. He went over the events the Fire crews attended/participated in. Clackamas Fire received a \$35,000 grant from the State Fire Marshal's Office for wildfire staffing (overtime). It allows them to upstaff additional personnel on red flag days/extreme fire danger days. Whatever funds remain after the grant period – the State decides whether to ask for the funds back, to repurpose the funds, or extend the timeline for those funds. He shared information regarding the state-wide Wildland Urban Interface Map and the Western Fire Chief's Association fire map – both are good sources of information and are available to the public. He went over

their system for mutual aid assistance related to wildfires/task forces. The staffing levels stay consistent in the areas/cities they serve.

CORRESPONDENCE:

None.

Mayor Stempel said for those members of the public who wished to speak the deadline for accepting comments was noon today. They allow three minutes for public comment unless there are special circumstances and additional time has been approved beforehand by staff.

She said a few words about the role of the City Council. She feels it is important for everyone to understand their limitations: they represent the citizens of Gladstone and not their own personal agendas and beliefs. There have been many times when a decision being made doesn't align with what they would like personally but have made a decision based on what is based on the City as a whole. That doesn't mean that their personal beliefs have changed; just that they listened and acted accordingly. There are laws and rules they have to use as the basis of their decisions. They do not have the luxury of randomly making decisions, but instead they have to be consistent and take the path that is defensible. They appreciate everyone's time in participating in this process. Her goal is to keep the meeting respectful and engaging and she hopes everyone will help her do that.

REGULAR AGENDA

8. <u>PUBLIC HEARING – RESOLUTION 1210 – A RESOLUTION UPDATING THE MASTER FEE SCHEDULE:</u>

This includes pass-through increases for Water Environmental Services (WES), Oak Lodge Water Services, and North Clackamas County Water Commission (NCCWC), and system development charges (SDC's) and updated low-income utility assistance programs. Ms. Brucker went over the staff report. If this is approved the rates will go into effect on the July utility bills.

PUBLIC COMMENTS:

None.

Councilor Garlington made a motion to approve Resolution No. 1210, a Resolution repealing the Master Fee Schedule adopted under Resolution No. 1208 and adopting a new Master Fee Schedule. Motion was seconded by Councilor Hartman. Ms. Bannick took a roll call vote: Councilor Tracy—yes. Councilor Alexander—yes. Councilor Ripley—yes. Councilor Garlington—yes. Councilor Todd—yes. Councilor Hartman—yes. Mayor Stempel—yes. Motion passed with a unanimous vote.

9. <u>AMENDMENT TO LIBRARY CONSTRUCTION AND OPERATION INTERGOVERNMENTAL AGREEMENT (IGA):</u>

City Attorney Ashley Driscoll went over the background. The IGA was entered into in November 2019 between the City of Gladstone and Clackamas County for the construction of a 6,000 square foot library in the City of Gladstone in exchange for the City dispensing a lawsuit and agreeing to provide the County all Gladstone Library Service Area district tax revenue, plus \$200,000 per year for operations. The County has used up all six time extensions for construction – they have asked the City to consider a one-year extension/pause in order to address some issues. The original cost estimate for the Gladstone Library was \$4.9 million. Because of pandemic-related delays and inflationary impacts, the new estimate is now near \$8.6 million. The County is hoping that within this year-long pause some of the pandemic impacts will begin to alleviate. This has been discussed

during executive session. In this amendment the City is agreeing to a 12-month pause in the construction timeline, the County is committing to demolishing the former City Hall site by November 1, 2022, putting up a sign that reads "Future Site Of The Gladstone City Library", and the County agreed to update its estimate at nine months from execution of this amendment. If the cost estimate at that time is \$7 million or less, the County will resume the construction timeline. The County Board of Commissioners has approved this. The City Attorney's Office recommends that the City Council approve this amendment.

Councilor Ripley asked what prevents them from doing it again and again. He doesn't trust them. Ms. Driscoll said there is a clause in the original IGA where either party can terminate and pay the price – if the County terminates, the City would receive \$360,000 toward construction of a new library, but would face many of same challenges that the County has.

Councilor Alexander asked what happens if the cost estimate is more than \$7 million after nine months. Ms. Driscoll said if, during the course of the year, the correction happens quicker and at the nine-month mark they get a new cost estimate that shows it's under \$7 million, they would immediately begin resuming the timeline. Even if it is above \$7.5 million they would still be obligated to start at the 12-month mark.

Councilor Tracy thinks they all need to acknowledge that there will be an undeveloped piece of property in the middle of town.

Councilor Hartman asked if they can negotiate whether they give the County the tax revenue they are currently giving them or the \$200,000/per year because of this pause. Ms. Driscoll said those are significant parts of the negotiation of the primary IGA. She feels that making changes to those "gives" would not be well received by the County. If Gladstone terminates the agreement it would receive the operations/employees/revenue but wouldn't have the \$8 million to build a new library. Councilor Todd wanted to clarify that if the City decided to build its own library it would involve going out for a bond and property taxes being increased. She asked if there was any way to pare down the costs – they have already looked at that and done everything they can to cut costs. Councilor Garlington asked who looks at the cost estimate – Ms. Betz said the County has control of the project and they have been a really good partner and want this project to move forward. She is confident that they will do everything they can to move this project forward. Councilor Garlington asked if they would lose any of the ARPA funds if they extend this timeline – Ms. Betz said the County's funds are secured.

Ms. Betz said the City has to split the cost of demolition with the County – she would rather get it done sooner because the costs go up the longer they wait. She feels they need to get started now in order to get through the abatement.

Councilor Hartman made a motion to approve Amendment #1 to the Library Construction and Operation Intergovernmental Agreement (IGA) between Clackamas County and the City of Gladstone. Motion was seconded by Councilor Garlington. Ms. Bannick took a roll call vote: Councilor Hartman – yes. Councilor Tracy – yes. Councilor Alexander – yes. Councilor Ripley – yes. Councilor Garlington – yes. Councilor Todd – yes. Mayor Stempel – yes. Motion passed with a unanimous vote.

10. GLADSTONE POLICE DEPARTMENT BODY WORN CAMERAS (BWC's):

Chief Schmerber went over the staff report. Agencies all over the state are moving to BWC's. They want transparency. Cameras will provide evidence of events, behaviors, and hopefully minimize confrontations knowing that there are cameras. It's an important tool. They assessed

three types of cameras – Motorola Solutions would be their recommendation. All uniformed officers would be wearing the cameras, and with Code Enforcement and Detectives under certain circumstances. A draft policy has already been developed. The City would own the equipment and there is a five-year subscription fee. All upgrades are free and there is a five-year no-fault warranty on all the equipment. They furnish new cameras after three years. Years one and two will be paid through ARPA funding. Years 3-5 will be built into the Police Department's budget cycles.

Councilor Alexander feels this is something tangible that the public can see. It protects the public and the officers.

Councilor Tracy asked who controls the data – Chief Schmerber said once the data is uploaded it can't be tampered with.

Councilor Hartman asked if Motorola offers security software that is aware if someone is hacking into the system – Chief Schmerber said yes.

Councilor Todd asked if this is for 20 cameras – yes.

Councilor Garlington asked if after five years they decide to go with another brand do they own the data – yes. There was further discussion regarding the warranty/equipment. Ms. Betz said this comes before City Council as a five-year package because it exceeds her spending authority. They want the community to understand the five-year package they are entering into for this equipment.

Councilor Alexander made a motion approve the purchase of 20 Motorola body worn cameras to include the subscription fees. Motion was seconded by Councilor Todd. Ms. Bannick took a roll call vote: Councilor Todd—yes. Councilor Garlington—yes. Councilor Ripley—yes. Councilor Alexander—yes. Councilor Tracy—yes. Councilor Hartman—yes. Mayor Stempel—yes. Motion passed with a unanimous vote.

11. PSILOCYBIN REGULATIONS IN GLADSTONE:

Mayor Stempel explained that this is to consider directing staff to prepare an ordinance declaring a ban on psilocybin service centers and the manufacture of psilocybin products in Gladstone and refer the question to the voters in the November election. Ms. Betz said this has already been approved by the State – they are in the process of licensing them. The Oregon Health Authority has begun the rulemaking process. This is a process issue as to whether they want to ban these in Gladstone. They went through a similar process when marijuana was legalized. These facilities cannot be located within 1,000 feet of a school or in a residential or commercial zone. Staff is asking for input on whether they want them to bring back an ordinance next month that refers this to the November ballot or wait until after the Oregon Health Authority has put their licensing and rulemaking into place and consider it on the November 2024 ballot. If they want to ban it now they need to have the ordinance in place next month.

Mayor Stempel asked Chief Schmerber if they have had any issues with the marijuana dispensaries – not to his knowledge. Ms. Betz said these would not generate any revenue for the City. Councilor Ripley thinks waiting would be the best idea.

Councilor Alexander agreed to wait until they have more information.

Councilor Tracy also agreed.

Councilor Hartman said these facilities aren't run the same way as marijuana dispensaries. She said over the next three days the County and State are having information sessions on Zoom. She agreed to wait.

Councilor Todd asked about the zoning regulations – Ms. Betz said they don't have that information yet. Councilor Todd feels they don't have enough information to put this on the ballot. Councilor Garlington asked if other jurisdictions have already jumped on this – Ms. Driscoll did not have an answer for that. Councilor Garlington agreed to give it time and see what happens. Mayor Stempel agreed to wait as well. She asked if they wait two years will this go through the Planning Commission like marijuana dispensaries did or if it would be a different process – Ms. Betz said it would probably be a design land use application. Ms. Driscoll said at any time they can implement time, place, and manner regulations and that would go through the land use process.

12. APPOINTMENT TO THE TRAFFIC SAFETY COMMISSION:

They have three vacancies now. This application is from Alexandra Hernandez. This would be for a term that expires 12/31/2024.

Ms. Betz took a roll call vote: Councilor Garlington – yes. Councilor Todd – yes. Councilor Hartman – yes. Councilor Tracy – yes. Councilor Alexander – yes. Councilor Ripley – yes. Mayor Stempel – yes. Alexandra Hernandez has been appointed with a unanimous vote.

BUSINESS CARRIED FORWARD:

Ms. Betz said in the packets they put a tentative outline of trying to align two-year work plans with the committees, commissions, and boards to align that with the City Council goal setting process in the next biennium budget.

BUSINESS FROM THE AUDIENCE:

None.

BUSINESS FROM THE COUNCIL:

Councilor Tracy:

He said the water plant is in great shape, they've got budgets together pretty tight, reserves are good, water outlook looks really good, the river was up high, they are doing a sand filter replacement and some R&R on the plants, and so far things have been really good this year. He commends the new staff, the general manager, and everyone who runs the plant.

Councilor Hartman:

She said it's amazing to see the splash pad open at Max Patterson Park and seeing everyone enjoying themselves.

Councilor Todd:

She hopes everyone will attend the Community Festival coming up the first weekend in August. There will be a Friday movie at the park, the parade on Saturday, and a car show on Sunday. If you want to be involved, let her know.

Councilor Garlington:

She thanked the Police and Fire Departments for putting on a fabulous Fourth of July picnic – there were a lot of people there. It was great to see people coming specifically for the picnic.

Mayor Stempel:

She said the Food Pantry is open from 3-6 on Thursdays at the Hillside Christian Fellowship Church off Glen Echo – located in the back portable buildings. The number of families and homebound seniors they are serving is growing every week and growing in leaps and bounds. They are still looking for volunteers and donations (especially pasta, spaghetti sauce, cereal, and snacks). If anyone wants to drop off food she is there with the prep crew on Wednesdays from 2-3:30 P.M. She wanted to thank the people at Hillside Christian Fellowship Church – they don't charge them anything.

She attended the GEMS meeting – they discussed the Senior Center/Resource Center that will be in place in case of emergencies. They went over the basic roles of elected officials and what the hierarchy looks like during an incident. They need to get more people signed up for Flashpoint so the information gets pushed out. They will have a booth at the Community Festival in order to sign people up.

The Historical Society meeting started with the historian's report and a book she discovered called "1947 Historic Homes of Clackamas County". There are 30 houses highlighted. They received brochures for the first and second annual Gladstone Fourth of July picnic from the Gladstone Mercantile. They have a historic calendar for sale as a fundraiser and they will be available at the Community Festival.

Clackamas County Coordinating Committee (C4) is focusing on the State Highway Plan and tolling. They are crafting a letter asking for a 60-day extension on public comment because they don't feel that they listened to the public comments that they received.

The Parks and Rec Board met last night and went over the preferred conceptual plan for Meldrum Bar Park. The outstanding issue was where to put the off-leash dog park – they decided to put it in the open area on the left at the top of the hill. The most popular items wanted per the survey were an event space, dog park, and paths/walkways. They also discussed standardizing amenities at the parks (benches, picnic tables, garbage receptacles).

Mayor Stempel asked for a motion to adjourn the meeting.

ADJOURN:

Councilor Garlington made a motion to adjourn the meeting. Motion was seconded by Councilor Alexander. Ms. Bannick took a roll call vote: Councilor Ripley – yes. Councilor Alexander – yes. Councilor Tracy – yes. Councilor Hartman – yes. Councilor Todd – yes. Councilor Garlington – yes. Mayor Stempel – yes. Motion passed unanimously.

Public Works

Staff Report for July 2022

Report Date: July 30, 2022

To : Jacque M. Betz, City Administrator

Copy : Mayor and City Council

From : Darren Caniparoli, Public Works Director

PARKS:

- Weekly moving schedule in place for all city parks.
- Installed trash bag stand as part of the Clackamas River Basin Council's cleanup project at Cross Park.
- Cleaned up homeless camp in Meldrum Bar Park
- Fertiliizing at all city park locations has been completed.
- Sidewalk repaired at Dierickx Park

During the recent SDA retreat volunteers took on several community volunteer projects, one was continuing work started by the Estuary Project to clear invasive plants near the water's edge at Meldrum Bar Park. We appreciate all of the hard work from our SDA neighbors!

Vandalism is an ongoing issue for the Public Works Dept.

Below are random pictures to show the extent of occurrences this past month. Crews deal with graffiti clean-up daily in our parks in addition to other forms of vandalism.

- Outside wall of Meldrum Park "Flush" restroom tagged with a large amount of graffiti.
- Meldrum "Pit" restroom and Meldrum "Flush" restroom interiors vandalized by graffiti.
- Men's restroom at High Rocks was vandalized.
- Bulk Head (bridge columns) at High Rocks tagged with graffiti

STREETS:

Public Works partnered up with the City of Hillsboro to facilitate a multi-city contract for the annual Slurry Seal Project which will be underway in the coming weeks. The Streets Dept. has been working to complete asphalt patching, crack sealing and skin patching in multiple areas around town in preparation for the upcoming project. All the hard work will pay off greatly once the slurry seal material has been applied.

You may have noticed the Clackamas County street striping crew in town a couple weeks ago, the City of Gladstone works with the county to be able to complete this important part of traffic safety.

FACILITIES:

The Facilities Dept. continues with bi-weekly inspections and repairs when needed at all City facilities, including inspections of the janitorial crew and cleaning of security camera lenses.

- Hole drilled through the counter of PD front desk for placement of wiring.
- Wireless dishes removed from Fire Department building
- Damaged irrigation line at Senior Center repaired
- Angle iron added to City Council dais to prevent damage from chairs
- Power outlet replaced at the Splash Pad
- Siding on FD building repaired
- Office prepped for new police Sergeant Graves
- Wall patched and painted in Civic Center Men's Room.
- Fixed door knob in Quiet Room
- Inner entry door at Senior Center was warranty repaired by Advanced Locking Solutions

Crews worked to repair an irrigation line at the Senior Center that was damaged within the new garden area. The line was near a newly installed fence post and appears to have been damaged by the contractor.

FLEET:

- PT Cruiser tail light repaired
- Ex-mark mower #146 throttle cable repaired
- Centrifugal clutch replaced on Tack Trailer #147
- Filters replaced on Kubota UTV #3
- Filters replaced on John Deere mower #84

WATER:

- Performed investigations at the Webster Reservoirs in order to update reservoir complex mapping.
 Performed investigations and developing a list of water system normally closed valves in preparation for water system unidirectional flushing program development.
- Completed prepping utilities for slurry seal and streets paving project.
- Repaired leaking 3/4" black poly material water service on W. Clarendon.
- Repaired leaking 3/4" copper material water service on Stone Oaks Ct.
- Performed an abandonment of an old unused 4" AC water main at the intersection of Beatrice and Abernethy in preparation for the streets paving projects.
- Extended a blowoff riser pipe on Simmons Ct in preparation for the streets paving project.
- Relocated a water meter on Oatfield Rd in order to make accessible for meter reading/maintenance.

As part of our key valve maintenance/accessibility program. We recently had GC systems to look at two pressure reducing valves (PRV) on Clarendon (one at Barton and one at Columbia). In the past these valves served the purpose of reducing transmission line pressure to a safe and usable level as it entered the distribution system. The City now feeds the low zone distribution system via gravity flow from the Webster Reservoir, making these pressure reducing valve no longer necessary. GC systems manipulated the valve settings so that they are safely locked in the open flow through positions.

GC Systems performed routine maintenance on the 8" and 2.5" pressure reducing valves on Valley View Dr. These valves serve as an intertie with Oak Lodge and open up to allow water into the high zone when they sense a drop in pressure as result of fire flows or pump failure etc.

Crews worked to relocate a water meter which was located on Oatfield Rd. to make it easier for the meter reader to access and safely read.

Crews worked to replace a water line on Shadow Ct. which crews have repaired multiple times in the past. Crews installed a new mainline which will reduce the possibility or future leaks on this line. Once the repair was completed crews restored the retaining wall and area.

SEWER:

- Locates/GIS map updates ongoing
- · Routine monitoring of Smartcover/flowmeter telemetry.
- Completed prepping utilities for street slurry project.
- · Completed prepping utilities for street paving project.
- Responded to a sinkhole on West. Arlington. Performed inspections of sewer, water, storm systems and backfilled sinkhole. No issues with utilities were found.
- Completed routine quarterly hot spot sewer line cleaning. 16 total pipe sections. 5,231 feet total.

STORM:

- Locates/GIS map updates ongoing.
- Catch basin/headwall cleaning to mitigate flooding.
- Completed City wide street sweeping.
- Completed prepping utilities for slurry seal and asphalt repair projects.
- Ditch cleaning maintenance on roughly 500 feet of storm water ditch on Rinearson Creek and Edgewater Rd.
- Cleaned roughly 500 feet of storm line on Watts St in order to mitigate flooding at the Glen Echo wetlands.
- Cleaned catch basins and stormwater quality structures in City owned facilities as well as public ROW in area 1 of the leaf up zone.

Crews repaired a broken catch basin which had also sunk below the roadway causing a hazard. Pictures show the broken basin and the final product after repairs were made.

SAFETY TRAINING:

Public Works Staff completed safety training regarding safety when dealing with" insects and critters".

PROJECTS:

The Barclay Stormline Project is moving along, crews have completed the installation of the stormline and working to complete the installation of the last manhole and catch basin. Crews will be working on the roadway reconstruction and ADA ramps in the coming weeks. This project has run very smoothly and we anticipate it to be completed on schedule!

Gladstone Fire Station Remodel Project got underway earlier this month and Petra Design is making good headway in the early stages of the project. Appliances are being ordered, flooring, tile and other design elements are being chosen and we are happy with the progress of the project to date.

Annual Slurry Seal Project is scheduled for August 8th & 9th notifications have gone out to all residents whom will be affected by this project and we will be putting out additional information on social media. Blackline Inc. will be the contractor and we anticipate this project will go smoothly.

Pavement Repair Project is scheduled the week of August 8th, notifications have gone out to all residents whom will be affected by this project and we will be putting out additional information on social media. K & L Industries will be the contractor and we anticipate this project will go smoothly.

ADMINISTRATION:

- Working with Kittelson & Associates to finalize drawings for the Webster & Cason crossing project.
- Working with DEQ and Clackamas County Co-permittees to revise NPDES stormwater permit mercury TMDL (Total Maximum Daily Load) implementation plan to address updated EPA/DEQ standards.
- Working with Oak Lodge Water Services to update and clarify our IGA (intergovernmental agreement)
- Working on OHA (OR Health Authority) state drinking water program and 2019 water system survey deficiencies corrective actions.
- Working with Clackamas County Co-Permittees to meet new DEQ MS4 Permit Requirements
- Evergreen Ln Storm Line project, submission of easement documents to Clackamas County, pending final approval.
- Working with Regional Water Providers Consortium partners on emergency preparedness.
- ROW Permit audits continue with our local utility companies and Franchise holders.
- Public Works has taken over the management of the ROW program and will be working to develop a
 process for management of the program. Currently working on organizing records and getting licensing
 letters out for renewals.
- ROW Permit management: Identifying and working on resolutions regarding unlicensed contractors working within our ROW under permit issued to Franchise holders.
- Project Data Collection: As-Builts and Stormwater Management Agreements.
- North Clackamas Watershed Project planning.
- Final administrative steps for the Annual Slurry Seal Project, residential and business notifications have been put out.

Keep Moving Forward...

Highlights/Noteworthy:

Thanks to everyone. I like to give special thanks to Det Tony FICH who quickly took my info, while off-duty, and acted upon it.

About an hour and a half ago, 3 of us from our team gave the great news to the parents. They wanted to thank everyone on both sides of the border.

I have almost 26 years police experience and very little keeps me up at night; however this investigation did.

Again, on behalf of the Edmont

Police Service, Thank-you. James.

Missing 13-year-old female found in Oregon

After an extensive investigation, 13-year-old Lila Smith, who went missing on Friday, June 24, 2022, has been found in Oregon, U.S. this morning.

This investigation is a success thanks to the many partners involved, including various specialized Edmonton Police Service units, as well as, ALERT (Alberta Law Enforcement Response Teams), Northern Alberta ICE Unit, RCMP, Abbotsford Police, US Customs and Border Patrol, CBSA, **Gladstone Police** (**Oregon**), Oregon City Police, and the FBI.

A 41-year-old Oregon male suspect is in custody and will be facing charges of *Child Luring* and additional charges may follow as the investigation progresses. Lila has been taken to a local children's hospital for precautionary examination. Her family was notified earlier this morning and arrangements are being made to return Lila safely back to her family.

"Many may be wondering why an AMBER Alert was not issued in this case. At the initial stages of this investigation, there was no evidence to suggest she was with someone, so this file did not meet the criteria," explains Staff Sergeant James Vanderland of EPS' Historical Crimes Section. "An AMBER Alert was being prepared once we confirmed the credible tip of the suspect's identity, his location, and his vehicle description; however, we were advised that the suspect was no longer in Canada so an AMBER Alert was no longer feasible."

West Des Moines Man Charged for Sexually Exploiting and Enticing Numerous Minors

DES MOINES, IOWA - A federal grand jury in Des Moines returned an indictment on July 20, 2022, charging a West Des Moines man with exploiting minors to produce child pomography and attempting to entice and persuade other minors to do the same thing.

According to court documents, Jonathan Francis Speidel, age 30, used the social media application Snapchat to manipulate and entice numerous children to produce child pornography for him. Speidel had multiple Snapchat usernames, including "Letssbung" and "SD_Backupacct."

Speidel is charged with twenty-eight crimes, including seven counts of Sexual Exploitation and Attempted Sexual Exploitation of a Minor, eight counts of Enticement and Attempted Enticement of a Minor, four counts of Transportation of Child Pornography, five counts of Receipt of Child Pornography, one count of Possession of Child Pornography, and three counts of Transfer and Attempted Transfer of Obscene Material to a Minor.

Speidel has been ordered to remain in custody until his trial or sentencing. If convicted, Speidel faces a mandatory minimum fifteen-year prison sentence and a maximum penalty of life in prison.

If you have information relevant to this investigation, please contact <u>ISpeidel@fbi.gov</u>, an email account dedicated to identifying possible victims.

The prosecution is the result of an investigation by the FBI Human Trafficking and Child Exploitation Task Force, the Iowa Department of Criminal Investigations (DCI) Internet Crimes Against Children Task Force, the North Olmsted (Ohio) Police Department, and the Gladstone (Oregon) Police Department. The investigation remains ongoing.

U.S. Attorney Richard D. Westphal of the Southern District of Iowa made the announcement. Assistant U.S. Attorney Kyle Esaley is prosecuting the case.

GLADSTONE POLICE DEPARTMENT OPERATIONS MONTHLY REPORT TO CHIEF AND COUNCIL

OPERATIONS MONTHLY REPORT

Prepared by Sgt. Okerman

July 2022

- 7/4 In the early morning hours Officers assisted CCSO with an alarm call at the Red White and Blue thrift store. GPD assisted with locating and determining a suspect had burglarized the building.
 - Officers were out on patrol all night responding to sightings of illegal fireworks. There were a significantly lower number of calls than the previous year and all contacts were positive and cooperation was received. Officers did not have to go back to any address.
- 7/17 In the afternoon a stolen vehicle was recovered on Caldwell Rd. Overnight a vehicle was stolen from Edgewater Rd and there was an attempt to steal a vehicle on Glen Echo Ave.
- 7/18 Officers responded to a domestic disturbance The suspect had poured lighter fluid on his girlfriend's car and threatened to light it on fire if she tried to leave. When officers arrived, the suspect retreated into the house. Additional officers were called to the scene and attempts to contact the suspect were made. It was learned there were firearms in the home the suspect had access. The house was contained until arrangements could be made to contact all the residents for a safe place to stay for the night. The situation was safely resolved by leaving the suspect in the house to be arrested at another time.
- **7/19** A crash between a SUV and a motorcycle happened at McLoughlin Blvd and W Gloucester St. The SUV ran a red light and the motorcycle crashed into the SUV. The motorcycle rider was transported to the hospital with non-life threatening injuries.
- 7/31 Officers checked under the freeway and railroad bridges along the Clackamas River. Two new camps had been set up. All the people at the camps were contacted and offered resources which they were all familiar with. They were notified of the illegal camps and given notice to vacate the area. Officers will check up in a few days.

GLADSTONE POLICE DEPARTMENT TRAINING UNIT MONTHLY REPORT TO CHIEF AND COUNCIL

TRAINING UNIT MONTHLY REPORT

Prepared by: Sergeant Okerman

July 2022

The training unit strives to keep all Police Department members updated on legal and training issues. This is no small task considering that to maintain certification as a Police Officer in Oregon you must meet minimum requirements based on required annual or semi-annual training mandates. We also strive to send Officers to training that may not be required, but relate to a particular Officer's field of expertise or for purposes of career development.

| Officer | Training | Mandatory State/Federal | Hours |
|---------|------------|----------------------------|-------|
| Day | FTO School | No | 32 |
| Total | | | 32 |

Officer Day attended Field Training Officer School and is now a certified FTO. He will begin training new recruits very soon.

Newly promoted Sgt. Graves began his sergeant field training this month. More training for him will happen next month before he begins regular supervision duties.

Officer Crotchett graduated from the Basic Police Academy this month. Chief Schmerber and Sgt. Okerman were able to attend the graduation. We are very excited to have him back at the department. He is back in field training.

Officer Pavey continues at the academy and doing well.

<u>Current Staffing:</u> 1. Full-time Manager 2. Full-time Office/Program Assistant II. 3. Full-time Nutrition Assistant 4. Half-time bus driver

The center continues to thrive and engage our senior population through our activities, lunch and food box program. In July we held our monthly Senior Advisory Board meeting, Gladstone Senior Foundation, and Gladstone Emergency Management team meetings. We have spent much time working toward the presentation of a newly created garden space at the center. The organization and labor on this beautification project was a clear highlight of July.

Services we provide;

- The center captured 90 Info and Assistance calls coming in about inquiries regarding program/service needs, transportation, follow-up etc.
- 2) The center handled <u>98 reassurance calls</u> out into the community to assist participants, gather resource info to assist, follow-up with other organizations/businesses that provide services. As well as <u>28 case management</u> calls to direct plan, support and assist our senior participants navigate the system.

Guest Attendance

Total number of participants/guests, 576 into the center in JULY

Food Program/Home Deliveries and Volunteers)

1. The center continues to have a highly active volunteer staff who have helped us serve food in and out of the center. A total of 168 in-dining meals were served in July to our guests/participants. We delivered 1470 Homebound Meals to Gladstone community members.

- 2. Over the month, 391 food boxes were sourced, prepped, and delivered to the community of Gladstone.
- 3. We reported 470 volunteer hours over the month, and 12 new volunteers. We a total of 85 active volunteers.
- 4. We received/collected <u>2721 food donations</u> from Gleaners, Food Bank and other walk-in community members which sustained our Food Box Program in July.

August highlights at the center

Meetings, Community Outreach and Education and Events:

- Senior Advisory Board- We will complete a newly envisioned mission statement. Work that we have started, and continue
 to work on during our meetings. We have included our primary services, and also future vision of the center programs and
 services. To be continue at our September meeting.
- 2. **GEMS** Gladstone Emergency Management met and worked out a clearer plan to have a monthly educational/training open to public, as well as hold a table with an explanation of GEMS and opportunities to volunteer during an emergency. GEMS will also work to provide a link to relevant emergency info on the city website.
- 3. **Garden Project:** We continue to work on the gardening details (hard scape, land scape, gathering volunteers, working with PW and others to map out the design concept). We anticipate the Garden Dedication on Thursday, August 2nd at 1:30pm and have invited the Clackamas Review (they will attend according to Raymond), along with many other members of the community, to come celebrate.

Connections made to collaborate on Education/Events at the center:

- a. SDA Conference held their annual camp meeting and provided a service day at the center, and planted flowers and Japanese maple trees in Puderbaugh greenspace; A large tradition Christmas for the greenspace in early August will be the city Christmas tree and will go in, in early to August. The group will also stain the senior center cedar fence. Organizer of the Community Service Day- Benjamin, was awesome and provided 100 vegan Pronto pups to the center and any city volunteer/employee on their service day.
- b. Pastor Nate of local SDA church on Webster organized the annual FUN RUN event in July and all funds will benefit the center's food box program through their donation to the Gladstone Senior Foundation.
- c. Oregon City Children's Theatre performed several musical pieces during our lunch hour. The smiles on all of participant's faces was PRICELESS, and the leader of the theatre asked to schedule a monthly performance at the center.

City of Gladstone Staff Report

Meeting Date:

August 9, 2022

To:

Gladstone City Council

From:

Jacque Betz, City Administrator

AGENDA ITEM

Consider approval of the Gladstone Community Event Sponsorship Program.

BACKGROUND

On July 26, 2022 the City Council held a work session to discuss the proposed Gladstone Community Event Sponsorship Program. In attendance was Jim Austin, the Development & Community Relations Coordinator from Oregon's Mt. Hood Territory and the City's tourism liaison Lori Bell. Ms. Bell also provided a brief overview of the City's use of transient lodging tax dollars since the ordinance was implemented in 2017.

It was the consensus of the City Council for staff to make the recommended changes and to place this program on the Gladstone City Council regular meeting of August 9, 2022's consent agenda.

Attachments included in the packet are as follows:

- 1. Gladstone Community Event Sponsorship Program in "track changes"
- 2. Gladstone Community Event Sponsorship Program "clean copy"
- 3. Gladstone Community Event Sponsorship Application
- 4. Community Grant Program Report

COST IMPACT

The City will allocate \$50,000 from the transient lodging tax towards this program. Sponsorship funds have a maximum up to \$5,000 per event and are available for one event per organization, per year.

RECOMMENDED STAFF ACTION

Staff recommends approval of the Gladstone Community Event Sponsorship Program.

Gladstone Community Event Sponsorship Program

Thank you for your interest in hosting an event in the City of Gladstone. The 2003 Oregon Legislature passed House Bill (HB) 2667 to establish a state lodging tax. A portion of the revenue this tax generates must go towards tourism promotion in Oregon.

Tourism promotion means any of the following activities; "(a) Advertising, publicizing, or distributing information for the purpose of attracting welcoming tourists; (b) conducting strategic planning and research necessary to stimulate future tourism development; (c) operating tourism promotion agencies; and (d) marketing special events and festivals designed to attract tourists" (ORS 320.300(7).

Funding for Gladstone tourism efforts, including some community events, comes from the Transient Lodging Tax (TLT) collected by all lodging properties in Gladstone from guests at their properties.

Gladstone Event Sponsorship Program

The Gladstone Event Sponsorship Program is designed to assist the development/marketing of festivals and community events, and to improve or enhance existing festivals and events in Gladstone. This sponsorship requires a one-to-one cash "match" by the applicant and is payable only as reimbursement for agreed-upon expenses. Proposed expenses are agreed upon once application is reviewed by committee and an award is approved. Gladstone is interested in supporting projects that are aligned with proposed deliverables from the Gladstone Tourism Strategy. Community Events is one agreed area to support tourism in the city.

Sponsorship funds have a maximum up to \$5,000 per event and are available from one event per organization, per year. The Gladstone Event Sponsorship Program Fund is up to \$50,000. Criteria for the program includes:

- Must demonstrate partnerships that leverage TLT funds and create a broad economic impact for the destination served by the proposed event or festival.
- Funding is not intended to be an annual award for ongoing expenses.
- If designated for an existing festival or event funds must be used for expanded, new marketing or development plans.

Application process:

- Applications will be received on a quarterly basis (schedule below). Funds must be spent within one year of being awarded.
 - August 31st deadline for an award October 1st
 - November 30th deadline for an award January 1st

- o February 28th deadline for an award April 1st
- May 31st deadline for an award July 1st
- Applications must be mailed to contactform@ci.gladstone.or.us

Application Review:

 A committee consisting of the finance consultant, one employee from the Mt. Hood Territory Destination Management, a representative from the hospitality industry, and the City's tourism consultant will review applications. Each application will be rated against the listed criteria and recommendations will be made to the City Administrator for final award notifications

A brief written report (outline provided upon receipt of sponsorship award) must be submitted to the City of Gladstone, City Administrator, within 30 days of the event conclusion.

Application Rating Criteria:

These rating criteria are used by the City of Gladstone to evaluate event sponsorship applications. Applications with less than 6 points will not be eligible for funding.

(Maximum points earned per each criterion-2)

- Proof of 501c3 organization or private business sponsorship is provided. Multiple sources
 of funding and/or earned income for the festival/event are secure and confirmed
- 4-2. Festival/Event has written support of the community, local businesses, civic organizations, and/or chamber of commerce.
- 2-3. Staff/volunteers have festival management experience and/or professional consulting.
- <u>3.4.</u> Overall application demonstrates a project ready to move forward and a high likelihood of success.
- 4.1. Multiple sources of funding and/or earned income for the festival/event are secure and confirmed. Proof of 501c3 organization or private business sponsorship is provided.
- 5-6. Festival/event is identified in the Gladstone Tourism Strategy. A community event must relate to existing city products or assets and is in an accessible and "visitor-friendly" location.
- 6-7. Festival/event has measurable goals for economic impact on the community, expressed in terms of visitor spending and/or room nights sold, and the application demonstrates potential for positive economic impact.

If festival/event or sponsoring organization has received Gladstone TLT funding in the past and the previous activity was incomplete or unsatisfactorily managed, there is potential to have up to six points deducted from final score.

Gladstone Community Event Sponsorship Program

Thank you for your interest in hosting an event in the City of Gladstone. The 2003 Oregon Legislature passed House Bill (HB) 2667 to establish a state lodging tax. A portion of the revenue this tax generates must go towards tourism promotion in Oregon.

Tourism promotion means any of the following activities; "(a) Advertising, publicizing, or distributing information for the purpose of attracting welcoming tourists; (b) conducting strategic planning and research necessary to stimulate future tourism development; (c) operating tourism promotion agencies; and (d) marketing special events and festivals designed to attract tourists" (ORS 320.300(7).

Funding for Gladstone tourism efforts, including some community events, comes from the Transient Lodging Tax (TLT) collected by all lodging properties in Gladstone from guests at their properties.

Gladstone Event Sponsorship Program

The Gladstone Event Sponsorship Program is designed to assist the development/marketing of festivals and community events, and to improve or enhance existing festivals and events in Gladstone. This sponsorship requires a one-to-one cash "match" by the applicant and is payable only as reimbursement for agreed-upon expenses. Proposed expenses are agreed upon once application is reviewed by committee and an award is approved. Gladstone is interested in supporting projects that are aligned with proposed deliverables from the Gladstone Tourism Strategy. Community Events is one agreed area to support tourism in the city.

Sponsorship funds have a maximum up to \$5,000 per event and are available for one event per organization, per year. The Gladstone Event Sponsorship Program Fund is up to \$50,000. Criteria for the program includes:

- Must demonstrate partnerships that leverage TLT funds and create a broad economic impact for the destination served by the proposed event or festival.
- Funding is not intended to be an annual award for ongoing expenses.
- If designated for an existing festival or event funds must be used for expanded, new marketing or development plans.

Application process:

- Applications will be received on a quarterly basis (schedule below). Funds must be spent within one year of receipt.
 - o August 31st deadline for an award October 1st
 - November 30th deadline for an award January 1st

- o February 28th deadline for an award April 1st
- o May 31st deadline for an award July 1st
- Applications must be mailed to <u>contactform@ci.gladstone.or.us</u>

Application Review:

 A committee consisting of the finance consultant, one employee from the Mt. Hood Territory Destination Management, a representative from the hospitality industry, and the City's tourism consultant will review applications. Each application will be rated against the listed criteria and recommendations will be made to the City Administrator for final award notifications.

A brief written report (outline provided upon receipt of sponsorship award) must be submitted to the City of Gladstone, City Administrator, within 30 days of the event conclusion. Sample report checklist provided as separate document.

Application Rating Criteria:

These rating criteria are used by the City of Gladstone to evaluate event sponsorship applications. Applications with less than 6 points will not be eligible for funding.

(Maximum points earned per each criterion-2)

- 1. Proof of 501c3 organization or private business sponsorship is provided. Multiple sources of funding and/or earned income for the festival/event are secure and confirmed
- 2. Staff/volunteers have festival management experience and/or professional consulting.
- 3. Overall application demonstrates a project ready to move forward and a high likelihood of success.

City of Gladstone Staff Report

Report Date: 08-3-2022 Meeting Date: 08-9-2022 To: Gladstone City Council

From: John Schmerber, Chief of Police

AGENDA ITEM

Traffic safety high visibility enforcement grant

History/Background

Over the years, the Gladstone Police Department (GPD) has applied for and received traffic safety grants, paying overtime for officers to enforce traffic related issues to include, speeding, pedestrian safety, distracted driving, safety belt/child passenger safety and driving while impaired. Upon receiving the dedicated grant funds awarded by Oregon Impact and or Oregon Department of Transportation, the police department has planned and organized enforcement missions that identified traffic related violations.

Proposal

The Gladstone Police Department has made traffic safety a core priority for the city. Speeding vehicles are common complaints the police department receives and we make concentrated efforts to reduce these types of violations. Just as important is reducing the number of impaired drivers and distracted drivers on our city streets. As a result of our traffic safety initiatives, the police department applied for grant money to assist with funding mission driven enforcement by our police department. We are honored to report that the Oregon Department of Transportation and Oregon Impact has awarded the Gladstone Police Department a total of \$40,000 of grant funding, however, due to logistical issues and complications, the police department would like to accept \$36,000 of grant funding for the following traffic initiatives. (Grant year October 1, 2022- September 30, 2023)

- Impaired Driving Enforcement = \$8,000
- Speed Enforcement = \$10,000
- Safety Belts/Child Passenger Safety Enforcement = \$10,000
- Distracted Driving Enforcement = \$8,000

Having the ability to increase officer presence along with partnering with neighboring agencies is a significant advantage in increasing safety within the City of Gladstone.

Options

- 1. To accept the grant money for strategic traffic safety high visibility enforcement.
- 2. Not to accept the money and maintain what we are currently doing, absorbing all costs associated.

Cost Impact

20% match by Gladstone Police. This is done through on duty personnel. No other costs associated.

Recommended Staff Action

Staff recommends accepting the grant funding. The Gladstone Police Department will need to accept or decline no later than August 12, 2022.

Congratulations!

The Gladstone Police Department has been awarded \$40,000 in High Visibility Overtime Enforcement grant(s) from the Oregon Department of Transportation – Transportation Safety Office (TSO) for the FFY2023 grant year (October 1, 2022 – September 30, 2023). This includes those overtime grants that are managed by both Oregon Impact (OI) and ODOT TSO.

If you would like to accept some or all of these overtime grants, please submit your reply to this email TSOHVEGrant@odot.state.or.us acknowledging the grants your agency accepts and the grant amount per each award by close of business, Friday, August 12, 2022. Your agency's TSO Grant Manager[s], and/or OI will send you the Project Agreement paperwork to finalize each award.

MEMORANDUM

TO: Jacque Betz, City Administrator

FROM: Kim Knox, Project Manager

Shiels Obletz Johnsen (SOJ)

DATE: August 3, 2022

SUBJECT: Gladstone Public Works Project – Design-Build Team Recommendation

Below and attached is a summary of the City of Gladstone's Progressive Design-Build Procurement for the Gladstone Public Works Project ("Project").

Request for Proposals. On May 4, 2022, the City issued a Request for Proposals (RFP) for a Progressive Design-Build Procurement for the Project. The RFP was advertised in the Daily Journal of Commerce and posted on the City's website. A mandatory pre-proposal meeting was held at the Public Works Facility on May 19th, 2022 (participant sign-in sheet, Attachment A).

Proposals. On June 7th, 2022, the City of Gladstone received one proposal from P&C Construction / Scott Edwards Architects. The City's selection committee made up of the Gladstone's City Administrator, Gladstone Public Works Director and Oregon City's Assistant Public Works Director evaluated the proposal, deemed it to be complete and scheduled a follow-up interview with the P&C Construction DB team. Gladstone City Attorney and Shiels Obletz Johnsen also participated in the review and interview.

Based upon successful discussions with the Design-Builder, the selection committee recommends City Council enter into an agreement with **P&C Construction** to provide Phase 1 Progressive Design-Build services for a contract amount of \$273,675

Design-Builder Team. Brian Shoemaker, P&C Construction Vice President, would lead the team as Project Executive with Jeremiah Dodson and Jared Steagall serving as Project Managers for design and construction phases respectively. Scott Edwards Architects' Sid Scott and Brandon Dole would serve as the Principal-in-Charge and Project Manager respectively and be responsible for overall management of the design team.

Strengths of P&C Construction / SEA Team:

- Strong portfolio of successful, similar size and scope projects for public clients
- Progressive Design-build approach that advances the project within City's budget
- Established Contractor and Architect collaboration on prior projects
- Prior design-build experience
- Knowledge and experience working with City of Gladstone

Gladstone Public Works Project – Design-Build Summary August 3, 2022 Page 2

Project Budget. The Request for Proposals included a target Design-Build budget of \$4.4 million based upon preliminary programming work prepared for the City in 2020. Since then, rising labor and material costs throughout the region have been experiencing significantly higher annual cost escalation in the range of 10 - 13%.

As part of their RFP submittal, Proposers were asked to provide perspectives on the feasibility of the 2020 budget in their RFP response. P&C Construction provided project budgets for both new construction and building renovation to deliver the desired program. While the projected cost using a renovation approach was within the City's target budget, projected cost for new construction was not.

The selection committee recommends proceeding with a renovation project which:

- Supports Public Works' desired new functions for an estimated \$2 million lower cost
- Utilizes existing structure and materials in a more sustainable construction approach
- Minimizes impact of potential supply chain issues
- Provides creative design solutions to enhance the facility's presence on Portland Avenue

What Council is Approving with the AIA A141 Agreement

The Request for Proposals solicitation included AIA Document A141 and Exhibits A and B describing the City's contract terms. P&C Construction had no requested clarifications or modifications to that agreement. Key elements contained in the Agreement include:

| Building Program | Consistent with the program identified in the RFP | (see AIA A141 |
|------------------|---|---------------|
| | | |

paragraph 1.1.1)

Project Budget \$ 4,400,000 Base Project Budget (see AIA A141 paragraph 1.1.6).

Phase 1 Scope of Work P&C has proposed a Phase 1 Budget of \$273,675 for this work;

supplemental information regarding the team and tasks is attached in

the P&C Proposal dated August 3, 2022 and AIA A141, Article 4.

Upon completion of Phase 1 work, the Design-Builder will have collaborated with the City to complete a Preliminary Design and establish a Guaranteed Maximum Price (GMP) for completion of the Project. The GMP would be approved as an amendment to the AIA

A141 Agreement prior to commencing Phase 2 work.

Phase 2 Scope of Work Consistent with the program identified in RFP (see AIA A141 Article 5).

Schedule P&C has committed to compete Phase 1 work by October, 2022

assuming Council authorizes the contract by on August 9, 2022.

Projected building occupancy is Spring of 2024.

City of Gladstone Staff Report

Report Date: August 1, 2022 Meeting Date: August 9, 2022

To : Jacque Betz, City Administrator

Mayor and City Council

From : Darren Caniparoli, Public Works Director

AGENDA ITEM

To adopt the Meldrum Bar Park Site Plan, pursuant to Resolution No.1211 "A Resolution adopting the Meldrum Bar Park Site Plan".

History/Background

In 2017, the City of Gladstone approved a Master Plan for its park system. The Parks Master Plan serves as a critically important document, setting forth the City's ten-year strategic vision for its parks and open spaces. The 2017 Master Plan lays out a number of objectives and specific projects for Meldrum Bar Park. Consequently, the Master Plan identified the creation of a site plan for Meldrum Bar Park as a strategic priority.

In July 2021 the City contracted with Environmental Science Associates (ESA) to develop the Meldrum Bar Park Site Plan. ESA launched a website focusing on community outreach for this project, the website included information about the park and its amenities, specifically it was utilized to launch two user surveys to identify needs and wants from residents and park users. Additionally, staff and ESA representatives met with groups identified as stake holders to gather input from our largest organized user groups. In March of 2022 the first of two community surveys were launched, in total the two surveys garnered 298 responses, this information was incorporated into the development of the proposed site plan.

On July 11, 2022, ESA presented the final rendition of the Meldrum Bar Park Site Plan to the Gladstone Parks and Recreation Board, the Parks and Recreation Board voted to approve the site plan bringing it forth to the City Council for approval.

A copy of the proposed Meldrum Bar Park Site Plan and supporting documents is attached hereto, marked Exhibit A.

OPTIONS:

- Option 1: Approve the resolution adopting the Meldrum Bar Park Site Plan as presented.
- Option 2: Approve the resolution adopting the Meldrum Bar Park Site Plan with modifications.
- Option 3: Do not approve the Meldrum Bar Park Site Plan

COST IMPACT:

While there is no cost impact in adopting the Meldrum Bar Park Site Plan, the Capital Improvements Plan outlined in the site plan totals and estimated at \$4,997,647.00. The funding sources include the General Fund; private funds; dedications and donations; grants; potential system development charges and other sources.

Recommended Staff Action

Staff recommends City Council adopt the Meldrum Bar Park Site Plan with the following motion:

"I make a motion to approve Resolution No. 1211 adopting the Meldrum Bar Park Site Plan".

Wetlands

Wetlands are important habitat and water quality features. They are protect by local, state, and federal regulations. Development impacts to wetlands should be avoided or minimized and any unavoidable impacts must be mitigated with approval from reviewing agencies.

Water Quality Resource Areas

Gladstone Municipal Code 17.27 - These mapped areas protect wetlands, rivers, and streams by providing a vegetated buffer around the water resource. Development is restricted and guided by City code to protect water quality.

Flood Management Areas

Gladstone Municipal Code 17.29 - This mapped area includes the FEMA 100-year floodplain, the extents of the 1996 flood, and the floodway. These areas are subject to flood impacts. Development opportunities are restricted and must be reviewed by local and federal authorities.

Habitat Conservation Areas

Gladstone Municipal Code 17.25 - These mapped areas protect wildlife habitat. Development is restricted and guided by City code and habitat mitigation for new development may be required.

Floodway

Gladstone Municipal Code 17.29 - Floodways are a component of the larger Flood Management Area District. They protect the river's ability to convey floodwaters downstream. Development in the floodway is restricted and requires hydrologic modeling.

Willamette River Greenway

Gladstone Municipal Code 17.28 - This mapped area helps protect the functions and values of the Willamette River corridor. Development in this area must comply with standards that are intended to protect, maintain, preserve, or enhance the natural, scenic, historic, and recreational qualities of the greenway.
