FY 2016/17 Proposed Budget Message

---

**Fiscal Year (FY) 2016-17 Budget**

**City Administrator's Budget Message**

**April 19, 2015**

**Members of the Gladstone City Council**

**Members of the Gladstone Budget Committee**

Greetings:

As City Administrator/Budget Officer for the City of Gladstone, it is my pleasure to present the Fiscal Year (FY) 2016-17 Proposed Budget for the City of Gladstone.

The proposed budget is balanced and submitted to you as required by Chapter 294 of the Oregon Revised Statutes. As an important reminder to citizens reviewing this proposed budget, state budget law provides for three levels of review and scrutiny of this budget;

1. The Gladstone City Administrator
2. The Gladstone Budget Committee
3. The Gladstone City Council.

At any step in this process, the reviewing individual or body can alter the proposed budget if they believe it is in the best interests of the City of Gladstone. We are excited to be able to propose a fiscally responsible budget, while continuing to provide the quality of public services our citizens have come to enjoy and expect from the City.

The 2016/17 Proposed Budget includes all ten funds of the City. The General Fund is discussed in detail as it represents the largest amount of revenues and expenditures and serves as the location for most City employees. Beginning FY 2016-17, the City of Gladstone will be changing our basis of accounting from a Cash basis to the Modified Accrual Basis of accounting. This change will represent revenues as recognized when they are measurable and available; and expenditures are measurable when incurred.

The City of Gladstone is an organization in transition. Many of the elected officials and top appointed Department Heads and City Administrator have been recently appointed.

Because of this and in an effort to prioritize for a future with limited financial resources, the City Council have initiated strategic planning efforts to chart a direction for the City to better serve its citizens. The City Council and City Staff have initiated a strategic planning process to identify the City's Vision, Mission, Core Values, Goals and Objectives.

## FY 2016/17 Proposed Budget Message

The following is a draft of those planning efforts:

### **Vision**

- o Gladstone - a vibrant place for people to live, work and play!

### **Mission**

- o Continually Improving ~ Quality Customer Service

### **Core Values**

- o Safe Community
- o Healthy Economy
- o Quality Services
- o Accountable Leadership

### **Goals**

1. Enhance the Livability in Gladstone
2. Address Critical Civic Building Needs
3. Ensure a Highly Qualified Workforce
4. Maintain the Health and Long Term Vibrancy (Stability) of the City of Gladstone
5. Ensure Financial Stewardship and Long Term Municipal Financial Stability

### **Objectives tied to each of the Goals**

#### **1. ENHANCE THE LIVABILITY IN GLADSTONE**

- 1.1. Develop a tactical Communication Plan that addresses residents, businesses, and City employees and encourages citizen participation.
- 1.2. Implement the water and storm water initiatives/plans.
- 1.3. Start/initiate Downtown Revitalization Planning process.
- 1.4. Move forward with library/city hall/police station per citizens' vote.
- 1.5. Move forward on the Parks Master Plan and streets and sewer master planning process.
- 1.6. Implement Technology Plan.
- 1.7. Partner plan with Oregon City and other government organizations on key areas like planning, code enforcement, ROW management, GIS access.

#### **2. ADDRESS CRITICAL CIVIC BUILDING NEEDS**

- 2.1. Move forward on land acquisition for future police station.
- 2.2. Work with Oak Lodge residents and Clackamas County Commission to move forward on the City Hall and Library projects.
- 2.3. Post pictures or concept of new buildings, facilities.
- 2.4. Move forward on Trolley Trail Feasibility Study through ODOT grant.
- 2.5. In the design phase use existing or new facilities to supply needs for public safety, seniors, administration office, multipurpose use, training, etc.

#### **3. ENSURE A HIGHLY QUALIFIED WORKFORCE**

- 3.1. Provide competitive salary, training, and work environment to attract and keep top professionals.
- 3.2. Ensure our workers have a great work-life balance.
- 3.3. Initiate a performance management plan for each of our employees including recognition, roles and responsibilities, and reorganization to efficiently provide services.
- 3.4. Be the employer of choice.
- 3.5. Engage Unions as full partners.

#### **4. MAINTAIN THE HEALTH AND LONG TERM VIBRANCY (STABILITY) OF THE CITY**

|   |
|---|
| <ul style="list-style-type: none"> <li>4.1. Move forward with Water/Storm Water master plans ensuring these two recently completed master plans have the financial plan implemented considering residents and businesses willingness to pay.</li> <li>4.2. Examine the Rate Study to ensure we are in the market.</li> <li>4.3. Build in a capability to maintain our facilities (infrastructure, buildings, etc).</li> <li>4.4. Ensure we have a motivated and engaged workforce.</li> </ul>   |
| <p><b>5. ENSURE FINANCIAL STEWARDSHIP AND LONG TERM MUNICIPAL FINANCIAL STABILITY</b></p> <ul style="list-style-type: none"> <li>5.1. Identify potential services we provide and currently don't charge for with a cost recovery model</li> <li>5.2. Consider a public safety fee to pay for additional public safety equipment and capital needs.</li> <li>5.3. Explore tax exempt property user fee to ensure entities fair share for services offered.</li> <li>5.4. Look at all enterprise funds with the goal of making all self-sustainable.</li> <li>5.5. Explore how to provide greater financial stewardship, research comparisons of peer organizations and what citizens receive and charge versus Gladstone.</li> <li>5.6. Explore Biennial Budget process.</li> <li>5.7. Establish three month budget contingency</li> </ul> |

Once adopted formally by the City Council in June 2016, the strategic plan will continue to provide us the guidance needed to establish priorities in upcoming budgets. The plan will also serve as a "report card" to our citizens, allowing us to measure progress against our goals.

The City of Gladstone is a community that is "built out"; therefore growth in the tax base and increased property tax revenues is very limited. Even though our operating revenues will remain stagnant, the City will be experiencing increased operating and personnel costs in contributions to the Public Employees Retirement System, health care, and during the collective bargaining process with represented and non-represented employee groups, with current contracts that expire on June 30, 2016.

Even though the financial picture is very limited, the City is still moving forward with projects with shared funding from outside sources in the upcoming months. The City Council is considering partnering with other entities on approving an Intergovernmental Agreement (IGA) with The City of Oregon City to share services with Right-of-Way Mgt., and GIS implementation.

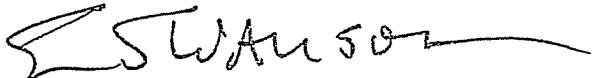

We are also implementing the approved Technology Plan, initiating the Parks Master Plan process, Transportation System Plan with funding from ODOT, citizen Charter Review committee process, Downtown Revitalization and Trolley Bridge Feasibility Studies through two grants with METRO (\$142K) and ODOT (\$50K) and proceeding with the Dahl Beach/ Bulkhead removal projects with a direct \$72K cash contribution and approx. \$500K in improvements by the Port of Portland in the Meldrun Bar Park area.

FY 2016/17 Proposed Budget Message

These are but a few of the projects/initiatives that will be funded in this proposed FY 2016/17 Budget which will be further articulated by the City of Gladstone Department Heads and me during budget presentations.

My thanks to all Department Heads for their hard work throughout this process; which for many of the staff members was their first time.

Respectfully Submitted,

P. Eric Swanson  
City of Gladstone  
City Administrator

# CITY OF GLADSTONE, OREGON

## BUDGET USER GUIDE

### 2016-17 BUDGET

**Budget:** The budget is a comprehensive financial plan for the fiscal year ahead. The budget document shows estimated revenues and expenditures at various levels of detail. It includes information about programs and policies, and is a working guide for City Administrators to use in monitoring expenditures, performance and productivity. The City of Gladstone has elected the option of budgeting by a fiscal year, beginning July 1 and ending the following June 30.

The budget authorizes the City to spend money and limits how much money can be spent. The document forms the basis and justification for the levy of property taxes. The budget, as required by statute, is a balanced budget with equal resources and requirements.

The document is arranged in a manner that allows the reader to review the budget as a summary or by individual fund or department. Narratives are presented at the beginning of each fund and department to provide the reader with explanations related to current operations as well as changes in the operations expected in the coming budget year. In addition, personal service levels adopted for the budget year and three prior years are presented for comparison purposes.

**Budget Basis:** The City budgets its governmental fund types (General Fund, Special Revenue Funds, Debt Service Funds and Capital Project Funds) on the modified accrual basis of accounting. Under this basis, revenues are recognized when susceptible to accrual (i.e., when the transaction is both measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period.

The accrual basis of accounting is used for budgeting the proprietary fund types (Enterprise Funds and Internal Service Fund). Under this method, revenues are estimated when earned and expenses are budgeted at the time liabilities are incurred. Exceptions from the accrual basis are principal collections on notes receivable as revenue in the year received; payment of debt principal is budgeted as an expenditure when paid; capitalized assets are budgeted when incurred; and depreciation is not budgeted.

## BUDGET USER GUIDE, continued

The City does not produce a separate capital budget; rather related capital expenditures are budgeted within the individual departments or funds. Non-Enterprise capital funding is contained primarily in the Special Revenue and Capital Projects Fund categories.

**Budget Committee and Committee Functions:** The Budget Committee, established by ORS 294.414, is composed of an equal number of qualified electors and members of the City Council. A qualified elector is a person who is qualified to vote in elections of the City. The qualified elector members are appointed by the Mayor and City Council for three-year terms, approximately one-third of which expire each year.

Oregon Local Budget Law allows public input and participation throughout the budget process. All Budget Committee meetings are open to the public. A majority (at least eight favorable votes for a Committee of fourteen) of the Budget Committee is required to approve any motion.

At its first meeting, the Budget Committee elects a presiding officer from among the members. The Budget Committee receives the budget document and hears the budget message. At the second meeting, the Budget Committee holds a public hearing on the use of state shared revenues and hears and considers testimony from the public on the budget. If the Budget Committee does not approve the budget at its second meeting, additional meetings are scheduled. The time and place of additional meetings must be announced prior to adjournment of each meeting. If this is not done, any additional meetings must meet the public meetings law requirements.

The Budget Committee reviews, and if necessary, revises the proposed budget submitted by the Budget Officer. The Budget Committee generally studies the budget by using the two previous years' actual data, the current budgeted data and the figures proposed by the Budget Officer for comparisons. Pursuant to ORS 294.428, the Budget Committee may obtain from staff any additional information it requires to make decisions about the budget.

The Budget Committee does not approve new personnel, employee contracts or salary schedules, nor does it negotiate salary contracts. However, the adopted salary schedules, negotiated contracts and other materials having a fiscal impact on the budget document may be requested for review by the Budget Committee.

## BUDGET USER GUIDE, continued

The Budget Committee has the power to:

1. Limit the amount of tax which may be levied by the City. The total property tax levy or property tax rate may not exceed the amount shown in the approved budget document or the maximum rate allowed by law.
2. Establish a maximum for total permissible expenditures for each fund for the year. The Council, however, may adjust the committee approved spending level upwards of ten percent for each fund.
3. Approve the budget as submitted or as revised. The function of the Budget Committee ends when the budget is approved. However, the Committee may meet from time to time at its discretion.

**Budget Process:** Local budget law requires that specific actions must occur as a local government prepares its budget. The process can be distinguished by the following phases:

**Request Phase:** Each year department managers submit preliminary budget information, narrative and other supporting documentation to the City Administrator, the City's Budget Officer, and to the Accounting Manager. This information is prepared based on department staffing and operational needs as discussed in planning sessions with the City Administrator. The Accounting Manager computes salaries and benefits for all departments. Capital expenditure and/or major vehicle acquisition requests originate from the City's Department Directors based on a five year or longer replacement plan. The Enterprise Fund's requests for major equipment or vehicle expenditures are budgeted within the respective funds.

**Proposal Phase:** The City Administrator and Accounting Manager meet with department managers to review requests. The information is reviewed to determine service level, cost effectiveness and uniformity compared to previous years' budget and actual data. In addition, the City Administrator insures that resources are properly allocated to accomplish implementation of City Council goals and associated work program.

The Accounting Manager balances all funds, and finalizes and prints the proposed budget document.

## BUDGET USER GUIDE, continued

After the proposed budget is prepared, the Budget Officer publishes the notice of Budget Committee meeting. The notice must be published two times, five to thirty days before the scheduled budget committee meeting date.

**Approval Phase:** The Budget Committee convenes to review and discuss the proposed budget. Copies of the proposed budget are distributed and the budget message is delivered. Department managers present financial and budget highlights.

The Budget Committee may propose additions or deletions of items from the budget. The Committee may meet as many times as needed to revise and complete the budget. All meetings are subject to the Oregon Public Meetings Law as outlined in Chapter 192 of the Oregon Revised Statutes.

**Adoption Phase:** The final phase in the budget process is adoption. After the Budget Committee approves a proposed budget, the City Council must hold a budget hearing. Five to twenty-five days before the scheduled hearing, the City must publish a budget summary and notice of budget hearing. The purpose of the hearing is to allow citizens to comment on the approved budget.

The City Council has the authority to change the approved budget prior to adoption. However, if a change would increase property taxes over the amount published in the budget summary or increase expenditures in any one fund by more than 10%, a new budget summary must be published and another budget hearing must be held.

At a regularly scheduled public meeting, a resolution or ordinance is enacted to adopt the budget, make appropriations and impose taxes. The adopted budget becomes effective July 1 and the budget, along with other documentation, is filed with the County Assessor's office by July 15.

**Budget Amendment Phase:** Once the City is operating within the adopted budget, it may find it necessary to change appropriated expenditures. The existing appropriations may have to be decreased or increased, but under no conditions is it lawful for the City to levy an additional tax in the current fiscal year.

If a change in appropriations is necessary, ORS 294.463 allows certain transfers when authorized by official resolution or ordinance of the governing body. The resolution or ordinance must state the need for the transfer, the purpose of the authorized expenditure and the amount of the appropriations transferred.

## BUDGET USER GUIDE, continued

ORS 294.463 provides for transfers of appropriations within a fund, transfers of general operating contingency and transfers of appropriations from the General Fund to another fund. Transfers of operating contingency in excess of 15% of the total appropriations of a fund, and any transfer from a special fund must be made through the supplemental budget process.

**Supplemental Budget:** Certain circumstances may arise which require the expenditure of revenues in excess of those appropriated in the adopted fiscal budget. One of the following circumstances would require a supplemental budget:

1. An occurrence, condition or need which had not been ascertained at the time the budget was adopted.
2. Funds were made available by another government agency and were not anticipated at the time the budget was adopted.
3. Proceeds from involuntary conversion require immediate replacement to continue operations.

If the supplemental budget is in excess of 10% of the fund budget, it is published in the same manner and by the same procedures as the annual budget. The Council holds a public hearing, and after the public hearing, makes additional appropriations as provided by the supplemental budget. The supplemental budget may not authorize any levy of additional taxes. If the supplemental budget is not in excess of 10% of the fund budget, it may be adopted at a regular meeting of the City Council.

**Budget Message:** The Budget Message is a statement by the Budget Officer about the City's proposed budget. The Budget Officer recommends a balanced budget to the Budget Committee, who will evaluate and modify it before approving a version for the City Council to consider. The Budget Message explains the proposed budget and any significant changes in the City's financial position.

**Budget Compliance:** The City manages its finances according to generally accepted accounting principles. During the year, expenditures and resources are closely monitored to ensure compliance with the adopted budget and state law. Monthly budget comparisons are distributed to management. An annual audit is performed and filed with the State of Oregon each year by an independent Certified Public Accountant. The City publishes an annual comprehensive financial report that documents the City's budgetary performance and compliance.

## 2016-17 Budget Calendar

### **City Council Meeting December 8, 2015**

- Consider and Approve Budget Calendar

### **Publish 1<sup>st</sup> Notice of Budget Committee Meetings April 6, 2016**

- 5 to 30 days Before the 1<sup>st</sup> meeting (Clackamas Review)

### **Publish 2<sup>nd</sup> Notice of Budget Committee Meetings April 13, 2016**

- 5 to 30 days Before the 1<sup>st</sup> meeting (Clackamas Review)

### **1<sup>st</sup> Budget Committee Meeting April 19, 2016**

- Appoint Presiding Officer

- Receive the Budget Message

- Review Budget Document and Discuss Relevant changes

- Respond to Questions from Budget Committee

### **2<sup>nd</sup> Budget Committee Meeting May 3, 2016**

- Budget Committee Deliberations

- Respond to Questions from First Meeting

- Approve Budget With or Without Modifications

### **Publish Notice of Hearing May 18, 2016**

- 5 to 30 days Before the Hearing (Clackamas Review)

- Publish Financial Summaries

### **City Council Meeting – Conduct Budget Hearing May 24, 2016**

- Conducted by City Council

- Open to the Public

- Run Budget Hearing Concurrent with City Council Meeting

### **City Council Meeting – Enact Resolutions June 14, 2016**

- Adopt Budget

- Make Appropriations

- Impose and Categorize Taxes

### **Submit Tax Certification Documents July 15, 2016**

- To County Assessor by July 15, 2016

- File Budget Document with County Recorder and Designated Agencies

## Budget Process

### **Budget Process**

The annual budget is one of the most important and informative documents city officials will use. In simple terms, the city's budget is a financial plan for one fiscal year. The budget shows the estimated costs of expenditures (items or services the city wishes to purchase in the coming fiscal year) and other budget requirements that must be planned for, but won't actually be spent. It also shows the resources that will be available to pay for those expenditures. The budget authorizes the city to spend money and limits how much money can be spent. It also justifies the levy of property taxes. In order to levy taxes through the county assessor, cities must prepare a budget following Oregon local budget law. The City's fiscal year begins July 1 and ends June 30.

### **Phase 1: Establish Priorities and Goals for the Next Fiscal Year**

The strategic planning process begins anew each year as the City Administrator and Senior Management Team collaborate to identify needs and assumptions for the short and long term and update objectives. Work on the annual budget begins in December, when forecasts for revenues and expenditures are updated. In January the City Council has planning meetings to decide Council goals, priorities, and policies.

### **Phase 2: Prepare Proposed Budget for Budget Committee**

Below is an outline of the steps required by the Oregon Department of Revenue for budget preparation and adoption.

#### **Appoint Budget Officer:**

Every local government is required to have a Budget Officer, either appointed by the governing body or designated in its charter.

#### **Prepare a Proposed Budget:**

The Budget Officer is responsible for the preparing of the proposed budget presentation to the Budget Committee.

#### **Publish Public Notices:**

Upon completion of the budget a "Notice of Budget Committee Meeting" is published in a newspaper and posted prominently on the City's website.

#### **Budget Committee Meets:**

The budget message and proposed budget document is presented to the Budget Committee for review.

## Budget Process

### **Committee Approves the Budget:**

When the Budget Committee is satisfied that the proposed budget will meet the needs of the citizens of Gladstone they will forward this to the City Council for adoption.

### **Phase 3: Adopt Budget and Certify Property Taxes**

#### **Publish Notice of Public Hearing:**

After the budget is approved, a budget hearing must be held. The Budget Officer must publish a "Notice of Budget Hearing" in a newspaper or by mail or hand delivery.

#### **Hold the Budget Hearing:**

The budget hearing must be held by the governing body on the date specified on the public notice and must allow for public testimony.

#### **Adopt Budget, Make Appropriations, and Levy Taxes:**

The governing body adopts the budget prior to June 30th. The budget and tax levy certification is then filed with the County Assessor.

### **Phase 4: Budget Changes After Adoption**

Oregon budget law requires all City funds to be appropriated. Appropriations, the legal authority to spend, are by department in all funds. Appropriations may be changed during the fiscal year, within the limitations imposed by budget law. City staff monitors actual events and recommends changes as needed. The City Council makes changes by resolution. Changes are categorized as appropriation transfers or supplemental budgets.

An appropriation transfer decreases an existing appropriation and increases another by the same amount. Supplemental budgets typically create new appropriations, funded by increased revenues. Supplemental budgets are used for occurrences or conditions which were not known at the time the budget was prepared. Directors and managers may amend their budgets for individual accounts without Council approval so long as appropriations at the legal level of control are not changed.

## Basis of Budgeting

### **Basis of Budgeting**

All of the funds are budgeted using the modified accrual basis of accounting in accordance with budgetary accounting practices. In modified accrual, revenues are recognized when they become measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, long-term compensated absences are recorded only when payment is due.

### **Basis of Auditing**

The audit, as reported in the Comprehensive Annual Financial Report (CAFR), accounts for the City's finances on the basis of generally accepted accounting principles (GAAP). GAAP is defined as conventions, rules, and procedures necessary to describe accepted accounting practice at a particular time. Beginning with the 2016-17 fiscal year, the modified accrual basis of accounting, a GAAP approved method, will be used in the audit for all funds except for the Proprietary Fund types. The audit uses the full-accrual method of accounting for the Proprietary Funds. The CAFR shows all of the City's funds on both a budgetary and GAAP basis for comparison.

### **Budgetary Basis of Accounting**

There is no appreciable difference in the basis of accounting used for financial statements and the accounting method used for budgeting. The budgetary basis of accounting for budgeting purposes is also modified accrual. The City of Gladstone will begin using a modified accrual basis of accounting for budgeting purposes for fiscal year 2016-17. This means revenues are recognized when they become measurable

## Fund Structure

### **Fund Structure and Description**

The City of Gladstone uses various funds to account for its revenue and expenditures. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. Also, funds are categorized by fund type as defined by generally accepted accounting principles (GAAP) and Oregon Budget Law.

The revenues in each fund may be spent only for the purpose specified by the fund.

#### **General**

General Fund – Accounts for the financial operations of the City that are not accounted for in any other fund. Principal sources of revenue are property taxes, franchise fees, court fines, and state and county shared revenue. Primary expenditures are for public safety, general government, parks and recreation, and library services.

#### **Special Revenue**

Road & Street Fund – Accounts for the repair and maintenance of City streets. Principal sources of revenue are street utility fees, gas taxes received from Clackamas County, and vehicle taxes from the Oregon Department of Transportation.

Police & Communications Levy Fund – Accounts for the Operating Levy of 2012 which extended the operating levy Gladstone taxpayers approved through fiscal year 2018-19.

Fire & Emergency Services Levy Fund – Accounts for the Operating Levy of 2012 which extended the operating levy Gladstone voters approves through fiscal year 2019-20.

#### **Debt Service**

Debt Service Fund – Accounts for the payment of principal and interest on general obligation bonds. The City of Gladstone currently has one Debt Service payment in the Water Fund.

## Fund Structure

### **Capital Projects**

General Construction Fund – Accounts for the acquisition and construction of capital assets not related to the Enterprise Funds. This includes city buildings, parks and trails, sports fields, and recreational facilities.

Library Capital Fund – Accounts for funds received from a combination of Clackamas County Library Contribution, Library District revenue and debt proceeds restricted to the construction of a new Library.

Civic Buildings Capital Fund – Accounts for funds transferred from other funds, debt proceeds and the sale of surplus city owned property restricted to the construction of a new City Hall and Police Station.

### **Enterprise**

Water Fund - Accounts for the operation and maintenance of water facilities and for major expansions of the water system. Primary source of revenue consist of charges for use of the water system and SDC's charged on new construction.

Sewer Fund – Accounts for the operation and maintenance of the sewer system and for major expansions of the sewer system. Primary sources of revenue consist of charges for sewer services, and SDC's charged on new construction.

## Fund Structure, Appropriation Level, and Major/Non Major Fund Designation

| General Government Funds     |                         |   |  |                          |
|------------------------------|-------------------------|---|--|--------------------------|
| Appropriation Level          | General Fund<br>(Major) | State Revenue<br>Sharing<br>(Non-Major) | Special<br>Revenue<br>Funds<br>(Major) | Capital Funds<br>(Major) |
| Administration               | X                       |   |  |                          |
| City Council                 |                         |   |  |                          |
| Assistant City Administrator |                         |   |  |                          |
| City Manager                 |                         |   |  |                          |
| City Attorney                |                         |   |  |                          |

## Revenue Summary by Source

All Revenue for all Funds

### Beginning and Ending Fund Balance

Beginning fund balance is equal to the prior year's ending fund balance.

Ending fund balance is the difference between total estimated sources and total estimated uses. Ending fund balance is budgeted in three categories:

1. *Operating Contingency* is budgeted at 5% of operational revenue in the operating funds. Contingency funds can be spent once authorized by a supplemental budget or transfer appropriation.
2. *Un-appropriated* ending fund balance can only be spent in an emergency created by civil disturbance or natural disaster.
3. *Reserved for future years* are total sources less total expenses, contingency, and unappropriated ending balance. Reserved for future years funds can only be spent if authorized by a supplemental budget.

### Utility Fees

The city charges utility fees for the water, and sanitary systems. The fees are charged to customers based on usage of the systems. The rates collected for each fund can only be used to support those individual funds' operational and capital needs. Annual revenue projections are based on historical average increases, while taking into account any planned rate increases.

### Property taxes

There are three types of property tax levies in Oregon. The permanent rate levy funds general city operations. The debt service levy is used for principal and interest payments on general obligation bonds approved by the voters. Local option levies are voter-approved, time-limited levies for specified purposes.

The Clackamas County Department of Assessment and Taxation determines assessed values and collects taxes. Property is assessed January 1 for the fiscal year beginning July 1. Taxes are due beginning November 15, and discounts are allowed for taxes paid in full by November 15.

### Assessed Value

Each local government's tax rate was determined by the state in 1997. Gladstone's permanent rate is \$4.8174 per \$1,000 of assessed value. No action of the city can increase the permanent tax rate.

Ballot Measure 50, implemented in the 1997-98 tax year, limits assessed value to the lower of Maximum Assessed Value (MAV) or Real Market Value (RMV). Maximum Assessed Value increases by 3% annually.

There are exceptions to the 3% annual increase. Maximum Assessed Value may increase by more than 3% if:

- There is new construction or improvements
- The property is partitioned or subdivided
- Rezoning occurs and the property is used consistent with rezoning

### Limits and Compression

The total tax on a given piece of property is limited as follows:

- General Govt: \$10 per \$1,000 of RMV
- Schools: \$5 per \$1,000 of RMV
- Unlimited debt service: levies to pay bonds for capital construction projects are not subject to limitation.

If the total tax bill exceeds the limits, taxes are reduced in a process called compression.

### Effect of the Gladstone Urban Renewal Agency

The Urban Renewal District (URD) is a geographic area within the City of Gladstone, defined in the Urban Renewal Plan. The purpose of the district is to eliminate blight and create an environment in which the private sector may develop uses consistent with the goals of the Urban Renewal Plan. The District borrows money to fund infrastructure and other improvements, receives property taxes calculated on the increased assessed values, and uses the taxes to pay debt service on the borrowings.

### Infrastructure Development Fees

These are fees for private development plan review and inspection and system development charges (SDC's) on new construction. SDC's are restricted for capital improvement projects that support capacity for growth. Development fee revenue is projected annually based on the known development activity as well as projections of projects that are likely to be submitted.

### Franchise Fees/Privilege Taxes

Fees are collected from utilities as compensation for use of the City's rights of way. These fees are based on utility revenue, so they generally increase with population growth. Franchise fee revenue is estimated based on prior year actuals plus an inflationary increase.

### Fines and Forfeitures

These fines are for traffic infractions, municipal code violations, and library fines. Revenue estimates are based on the prior year actuals.

---

### Intergovernmental Revenue

These include fees and taxes that are collected by other government agencies and passed through to the City as well as fees collected from other governments for services the City provides to them.

- State shared revenue, liquor and cigarette tax and vehicle fees. Revenue estimates are provided by the State.
- County support to the library as part of the Clackamas County Cooperative Library Service. Revenue estimates are provided by the County.
- County distribution of gas tax.
- Federal, State, and Local grants.

**Charges for services**

- Building, Planning, and Engineering permits, revenue estimates are based on projected development activity.
- Recreation fees, revenue estimates are based on the number of registered leagues.
- Advertising and sponsor fees.
- Business and liquor licenses, revenue estimates are based on prior year actuals plus an inflationary increase.

**Transfers and Other Revenue**

- Transfers in from other funds.
- Interest earned on bank accounts.
- Sale of fixed assets.
- Proceeds from the issuance of debt.

CITY OF GLADSTONE

## **Department 0021 -General Administration**

### **2016-17 ADOPTED BUDGET GENERAL ADMINISTRATION - DEPARTMENT 0021 HIGHLIGHTS**

This budget pays for the salary and associated payroll costs of the Administration of Gladstone City Hall.  
We are increasing the Utility Finance Clerk position to 1.0 FTE with .4 being paid out of the Water Fund and .4 being paid out of the Sewer fund.

**Municipal Audit Contract** - We have increased this line item to allow for negotiations with a potentially new audit firm.

**Data Processing/Maint/Lic/Technology** - In fiscal year 2016-17, we will be in year 2 of a 3 year Technology Plan implementation that will includes a fiber backbone to connect all of the City's facilities; updating and redesigning the City's website; and implementation of updated financial software. The Technology plan was approved by City Council March 2016, and will be completed in fiscal year 2017-18.

**Personnel Recruitment** - We have added funds to potentially contract with professional recruiters to replace our Assistance City Administrator

**POLICE - DEPARTMENT 024 HIGHLIGHTS**

**Department 024 -Police Department**

*In partnership with the community, provide exceptional law enforcement services, promoting quality of life for all citizens.*

This is the mission statement of the Gladstone Police Department and the standard we work to uphold in order to show genuine concern and a right attitude about all that we do.

Over the past three years, we have experienced a 19% increase in total calls responded to in the city.

During 2015, a total of 13,031 calls were handled by our officers.

We are proud to respond to these calls and they remind us of the unique service we provide for this community.

We are committed to conducting ourselves and our activities responsibly, always keeping in mind that we are here to serve and protect.

## CITY OF GLADSTONE

### 2016-17 ADOPTED BUDGET

#### FIRE - DEPARTMENT 025 HIGHLIGHTS

##### Department 025 -Fire Department

Beginning 2016-17, Gladstone City Council has made the decision to change the Fire Chief position from part time to full-time.

**On Call Firefighters** - Gladstone Fire Department members are reimbursed on a per call basis including training sessions. In 2011 the City evaluated how volunteers are reimbursed based on compliance with the Fair Labor Standards Act and compliance with IRS regulations. As a result the members are now considered "part time - on call" employees. Compensation is by a stepped increase scale, based on certifications and length of service, with most employees reaching the top step in 4 - 5 years.

**Schools & Conferences** - Increased to cover cost of management and other training related to needed upgrades identified in strategic plan.

**Uniforms** - Increased to cover cost of upgraded and additional uniform items to properly outfit all personnel.

**Firefighter Training** - This line item covers the cost of instructors for required training to maintain national and state certifications for fire suppression, EMS, specialty services and officers. This line also includes the cost for a four month in house fire academy for new recruits. The reflected increase this budget cycle is due to additional training requirements we are experiencing in the industry also our intent to increase our recruitment cycle from one academy each year to three academy's every two years if we can develop the interest for more recruits.

**Station Maintenance & Supplies** - Proposed funds to allow for painting, electrical repairs and general upkeep of the fire station and general supplies.

**Life/Disability/Activity Insurance** - Similar to police officers, Fire Department employees receive a mandatory \$10,000 life insurance policy. The city has chosen to cover the employees on a 24-hour basis. Currently, employees also receive disability insurance that will pay \$200 per week if they become disabled while providing emergency services.

**Cellular Phones, Pagers and Radios** – Annual 800 MHz radio maintenance and licensing cost is increasing from \$350 to approximately \$400/year for each radio. Fire Service and FEMA safety standards recommend a minimum of number of radios. This line also covers maintenance and repair of other types of communication and alerting equipment.

**Physical Examinations** - This item covers OSHA and National Fire Protection Agency (NFPA) Testing requirements for blood borne pathogens, required vaccinations, tread mill tests, comprehensive physicals for new recruits, etc.

**First Responder Supplies** – This line item includes funds for medications, disposable medical supplies and maintenance of defibrillators. Presently AMR Ambulance Company reimburses the Fire Department approximately \$600 per month for medical supplies. This revenue (see line item #1042640 in General Fund Revenue) is based on a contractual rate set by Clackamas County that is paid to first responders for costs incurred when a person is transported from Gladstone. Nationally the EMS field is seeing more shortages of drugs resulting in alternative selections and higher cost. Although partial reimbursement for supplies is coming from AMR we need the slight increase to cover the initial purchases.

**Supervising Physician Contract - ORS 682.245 Subsection 4.** States: "No Emergency Medical Technician shall provide patient care or treatment without written authorization and standing orders from a supervising physician who has been approved by the Board (of Medical Examiners). This line item covers the services provided by our Physician Advisor; EMT training, review of treatment and review and issuing of protocols, etc.

**SCBA Maintenance** – Provides for maintenance and repair of current breathing apparatus, formerly in "Capital Outlay".

CITY OF GLADSTONE  
2016-17 ADOPTED BUDGET  
FIRE - DEPARTMENT 025 HIGHLIGHTS

Department 025 -Fire Department CONTINUED

PPE Testing, Repair and Replacement – Provides for maintenance and repair of personal protective equipment (PPE) for firefighters, formerly titled “Turn-Outs and SCBA” in “Capital Outlay”...

**Cost Share for C-COM Dispatch** - Costs are assigned based on the percentage of the agency's population of the total population of contracted agencies.

This is both fire and police combined. This costing formula has been adjusted from 30/70 - fire/police split to a 35/65 split to more accurately reflect usage.

Due to State of Oregon legislative changes, 911 Funds that previously were received by the City General fund and used to offset these costs are now allocated to the local dispatch center and not the Cities. Actual cost have not been calculated as of yet but we are anticipating a 3-10% increase.

**Routine Equipment Replacement** – This line item was increased to \$30,000 to more accurately represent planned expenditures.

**Turn-outs and SCBA Reserve** - This line item is intended to accumulate at a rate similar to the fire engine reserve fund (\$35,000). Life expectancy of SCBA breathing equipment is 11 to 16 years at an estimated \$7,000/unit cost which equals a \$245,000 overall replacement cost. Turn-outs generally consist of pants, coat, helmet, boots, hood and gloves with a life expectancy of 5 to 10 years depending on usage. Regulations require turn-out replacement every 10 years regardless of condition. Turn-outs currently cost about \$2,270 each, which equals a \$97,000 replacement cost. Routine maintenance and repairs are covered under line items #1251814 & #1251817 in “Materials and Services”.

**Dive Rescue Equipment** - Funds proposed to replace, repair and purchase equipment needed for department's 6 to 12 certified divers.

**Fire Apparatus and Equipment Reserve** – For the past several years the City has appropriated an additional \$25,000/year which is less than half of needed cost on a 10 year replacement cycle. The large increase this year is to cover the possible purchase of two new vehicles one a replacement of a 1998 staff vehicle, second purchase would be an additional vehicle for the new full time Chief position.

**Fire Grants** – This line item is considered a place holder funds will not be spent unless revenue from a grant is received. In the past the department has been awarded grants for seismic upgrades, turn out replacement ad other small grants. Though unsuccessful the last few years the Department will continue to apply for grants as they become available.

**Radio and Computer Reserve** - Motorola Company no longer supports most of the existing 800 MHz radios, and two thirds of them cannot be upgraded to 700 MHz, which will be the frequency used for public safety in the future. The department has implemented a replacement cycle mostly on an as needed basis, i.e. beyond repair or adaptation. The department will continue to apply for grants as they become available but will still continue to budget an additional \$12,000 a year to this line item, creating a reserve for replacement in 1- 2 years. Though the County intends to forward a ballot measure in the next year for a full radio system replacement which will include Gladstone Police and Fire. Portable and mobile radios will only be partially covered by this ballot measure.

**CITY OF GLADSTONE**  
**2016-17 ADOPTED BUDGET**  
**PARK - DEPARTMENT 026 HIGHLIGHTS**

**Department 026 -Parks Department**

This department funds a total of 1.65 FTE

Public Works Director - .10  
Parks & Street Supervisor - .50  
Utility Worker, Journey - 1.0  
Administrative Assistant - .05

The administrative position is in anticipation of need based on Public Works strategic plan yet to be completed.

The increase in the supervisory position is based on a recalculation of staff time based on need.

Additionally, this position will be spending much of their time managing the non profit organizations and the Metro Local Share work. They will also be responsible for finding and acquiring grants to help fund our Parks maintenance and programs.

Additionally this budget funds the maintenance for the Parks of Gladstone for items such as landscaping, fertilizing, as well as maintaining safe park conditions.

**CITY OF GLADSTONE**  
**2016-17 ADOPTED BUDGET**  
**RECREATION - DEPARTMENT 027 HIGHLIGHTS**

**Department 027 -Recreation Department**

This budget funds summer programs and community special events. The city hires seasonal help to drag and line the softball and baseball fields before games. The City funds materials and supplies for the summer program at Patterson Park, the Easter Egg Hunt, and Gladstone Community Festival.

The change in FTE calculation from prior years to the 2016-17 proposed is based on the BOI interpretation of seasonal workers versus regular employees.

SENIOR CENTER - DEPARTMENT 028 HIGHLIGHTS**

**Department 028 -Senior Center**

The Gladstone Senior Center was built with City, fundraising funds, and Community Block Grant money in 1981. The Center currently sees approximately 1,000 patrons each month that come through our doors.

The staff works with Gladstone Community School program to offer a variety of classes. The Center currently offers over 40 different classes. We have increased the Center assistant position to 1.0 FTE to reflect additional duties that have been assigned.

As a department of the City additional funding resources come from various Clackamas County Contracts, donations, fundraising and our community partners. Including a contract to provide Meals to our most vulnerable population, both at the Center or at their home.

In fiscal year 2015-16, the Center served over 14,000 meals. From the Center's dining room we served 4,550 meals. Meals on Wheels clients were served 9,525 meals. Our program offers meals to disabled and those clients under 60 years of age. One part time nutrition staff person organizes volunteer drivers and administers this program.

Our Transportation program offers a variety of options to local area residents. Three days a week, we offer rides into the Center for meals and other activities; or perhaps sign-up to go shopping, or run errands.

Friday is excursion day with outings all over the Portland Metro area and beyond are offered.

In 2014-15 the Center provided 2,500 rides. We are projected to provide over 3,000 rides for 2015-16.

Through the Social Services Contract the Center staff conducts assessment, information and referrals, and provides health and wellness information.

Planton Estate- The estate was given to the Center in 1994 with a value of approximately \$300,000. The funds are restricted to Building Improvements, for the benefit of the seniors. Some of the projects have included: Painting the interior, stainless steel installed on kitchen walls, and new carpet was installed 2015 in the lobby and offices of the Center.

**CITY OF GLADSTONE**  
**2016-17 ADOPTED BUDGET**  
**LIBRARY - DEPARTMENT 029 HIGHLIGHTS**

**Department 029 - Library Department**

The Gladstone Public Library is more than just a resource for information, it is also a physical space to build community and an access point to a wide variety of services and programs. These offerings range from traditional materials, to computers and internet for those who may not have access elsewhere, to programming that fosters community engagement. The Library advocates lifelong learning, privacy and the right to read and consume information with a commitment to helping children and adults develop the skills they need to survive and thrive in a global information society. But whether a patron is looking for DVDs or the latest best-seller; for health, consumer, or business information; for story times, cultural edification or other community programming, the Library, as a member of Libraries in Clackamas County (LINCC), meets all of these needs and more. Gladstone Public Library is a center of community for the City of Gladstone, unincorporated County residents, and Clackamas County as a whole.

In November 2014, Gladstone voters approved the construction of a new library. In that measure, we noted that we would take the revenue we receive from the Library District revenue and transfer those funds to the Capital Project.

In the General Fund Resources section of the budget, we have budgeted to receive \$693,196, the Transfer Out noted above matches the amount we expect to receive. In the Library Capital Fund 006, there is a corresponding Transfer In, in the Resources section of that budget.

CITY OF GLADSTONE  
2016-17 ADOPTED BUDGET  
REVENUE STATE SHARING FUND 010 HIGHLIGHTS

This fund accounts for the distribution of funds from the State of Oregon to cities on a per capita basis.  
The funds are collected by the State from Liquor Taxes, Cigarette Taxes and Gasoline Taxes.

The proceeds from this fund will be used to transfer funds to fund 011 City Hall Capital Fund to be used for the purchase of property.  
Additionally, these funds help offset the cost of the hire of a new Assistant City Administrator, whose position is budgeted in the General Fund.

CITY OF GLADSTONE  
2016-17 ADOPTED BUDGET  
ROAD & STREET FUND 005 HIGHLIGHTS

**RESOURCES**

The proceeds collected in this are derived from the State of Oregon Highway Revenues Apportionment.

The State of Oregon collects fees from Motor Vehicle Registration and Title Fees, Driver License Fees, Motor Vehicle Fuel Taxes, and Weight-Mile tax. Those proceeds are then distributed to Oregon Counties and Cities base on ORS 366.764 and 366.805

[https://www.oregon.gov/ODOT/CS/FS/pages/hwy\\_rev.aspx](https://www.oregon.gov/ODOT/CS/FS/pages/hwy_rev.aspx)

The Oregon Constitution states in part that revenue from the state highway tax is to be used exclusively for the construction, reconstruction, improvement, repair, maintenance, operation and use of public highways, roads, streets, and roadside rest areas.

Proceeds from the Bikeway resource is derived as a percentage of the state highway taxes received - 1%

Proceeds from the Transportation System Development Charges are restricted funds to help pay for road capacity improvements as listed in SDC methodology, which allows for annual adjustment about equal to the consumer price index. Revenue from transportation SDC is spent on eligible projects that cannot be funded with urban renewal funds.

**REQUIREMENTS**

This fund pays for a total of 1.8750 FTE

Public Works Director - .25

Supervisor of Utilities -.50

Utility Worker, Journey Maintenance - 1.0

Administrative Assistant - .1250

The increase in the supervisory position is a recalculation of staff time based on need.

The Supervisor will be spending much of their time managing the non profit organizations and the Metro Local Share work.

Additionally, this fund pays for:

Equipment Rental, Street Maintenance Supplies, Shop Supplies and Utilities, Traffic Signal Maintenance, Street Sign Maintenance, Engineering Services, Street Maintenance, A reserve account for Equipment Replacement has been set up to ensure we have the funds appropriated to purchase newer equipment as our City equipment begins to age out of its useful life. This reserve is proposed increase by at least \$25,000 per fiscal year.

CITY OF GLADSTONE  
2016-17 ADOPTED BUDGET  
POLICE & COMMUNICATION LEVY FUND 008 HIGHLIGHTS

**RESOURCES**

In 2012, voters approved a continuation of the levy at 68 cents per \$1,000 assessed value through 2018-19.

**REQUIREMENTS**

The proceeds of this fund are used for a variety of services to maintain existing services for police protection and communication responses such as:

The ability to maintain current staffing levels to be at or above state of Oregon averages

The ability to maintain our Municipal Ordinance Specialist to administer code violations

School Resource Officer

On Call Police Records Clerk

Other services to maintain police levels

CITY OF GLADSTONE  
2016-17 APPROVED BUDGET  
FIRE & EMERGENCY SERVICES LEVY FUND 009 HIGHLIGHTS

**RESOURCES**

In 2012, voters approved a continuation of the levy at 31 cents per \$1,000 assessed value through 2018-19.

**REQUIREMENTS**

The proceeds of this fund are used for a variety of services to maintain existing services for fire protection and emergency medical response such as:

**Payroll Costs** - Increased to accommodate potential new salary range for Fire Coordinator position (see next item).

**Fire Coordinator** - This wage for this position is far below comparables, recommend moving from pay range 31 to 39, move incumbent to Step 3 in new range.

**Seasonal Help** - Funds are used to pay for two or three temporary employees during summer months.

**Professional Services** - To address Fire Department evaluation and strategic planning

Updating and replacing outdated equipment.

**Testing Hose, Pumps and Ladders** – The Fire Department has a requirement to test hose, pumps and ladders. This testing is contracted out.

Station upgrades and Fire Engine vehicle purchases.

**Defibrillator and Vehicle Extrication units (Jaws of Life)** – Funds are being set aside to upgrade and replace these units as they reach the end of their service life.

The purchase of and maintenance of existing training and live fire training props.

The development and fencing of a 100' x 100' area for a permanent training area, subject to land use approval.

**Professional Services** - Added line item to address funding for department fire evaluation and strategic planning.

CITY OF GLADSTONE  
2016-17 ADOPTED BUDGET  
SEWER FUND 003 HIGHLIGHTS

**RESOURCES**

**Connection Fees** - This revenue is collected and passed through to county service districts.

**REQUIREMENTS**

This fund pays for a total of 3.085 FTE  
Public Works Director - .35  
Supervisor of Utilities - .66  
Utility Worker, Journey Maintenance - .5  
Utility Worker, Journey - 1.0  
Account Clerk - .4  
Administrative Assistant - .1750

**Sewer System Maintenance & Repair** – Public Works is addressing root intrusion and fractured sewer mains with a more pro-active approach to mitigate potential sewer problems. There will be more Sewer Main and Private Sewer Lateral repairs in the coming year due to the new Oregon Underground Utility Laws which require the governing utility to locate and be responsible for even private laterals that are in the Right Of Way.

**Connection Turnovers** - About 83% of Gladstone is served by the Tri-City Service District (TCSD) with the 17% balance served by the Oak Lodge Sanitary District (OLSD). This line item reflects estimated revenue from \$2,020/equivalent dwelling unit (EDU) connection fees collected and forwarded entirely to TCSD. OLSD collects its connection fees without city involvement.

**Oak Lodge Sanitary District Contract** – There are 809 EDU's in OLSD. This district bills the city on the basis of average winter water consumption rather than a “flat rate”. City code allows “automatic pass through” to Gladstone customers from wholesale rate increases by sewer districts.

**Tri-City Service District Contract** – There are 3,398 EDU's in Tri-City. City code allows “automatic pass through” to Gladstone customers from wholesale rate increases by sewer districts.

**Schools and Training** – Employee training for wastewater collection certification.

**Engineering Services** – We will need engineering services for non capital consulting.

**Storm Water Consulting Services** - As a result of the Federal Clean Water Act the State DEQ requires a National Pollutant Elimination System (NPDES) permit. Most cities have one or more employees designated for storm water management in addition to hiring consultants; unlike Gladstone that does not have an employee specialized in storm water. The Sewer and Water departments are more affected by new environmental regulations compared to any other city departments.

**Storm/Sanitary Master Plan** – the renewal of the MS4 storm water permit places new requirements on the city and requires a master plan to be developed. A sanitary sewer master plan will be finalized during the course of the 2016-17 fiscal year.

**Storm/ Sanitary Sewer System Improvements** - When resources are totaled, the difference between proposed expenditures and estimated resources is the amount appropriated in this balancing line item. Funds in this line item pay for flooding abatement and could eventually fund improvement of the quality of storm water before it is discharged into the Clackamas and Willamette Rivers and sewer replacement projects.

CITY OF GLADSTONE  
2016-17 ADOPTED BUDGET  
SEWER FUND 003 HIGHLIGHTS

**Department 003 - Sewer Department CONTINUED**

**Equipment Replacement Reserve** – The existing 1987 International Sewer Jet Flusher needs replacement. The Public Works Equipment Replacement priority was to replace this vehicle with a Vactor style sewer cleaning truck. The costs of these vehicles range from \$200,000 to \$320,000. Currently Public Works is researching different brands to determine the best equipment configuration and whether a good quality used truck is available and if staffing is available to run the machine efficiently. This reserve is proposed to increase by \$25,000 per fiscal year until a cap of \$400,000 is reached assuming that Sewer Fund revenue is sufficient each year.

**Reserve from System Development Charges** – In 1989, the City Council approved system development charges (SDC) split 13% to the Sewer Department and 87% to the Water Department. SDC methodology allows rate adjustments every July 1st about equal to the CPI. This line item helps ensure compliance with state law requiring that SDC revenue be kept separate from other revenues and spent only for capacity improvements as identified in the city's capital improvement plan and as amended. Once Master Plans and the accompanying financials are adopted by City Council, we anticipate changes to this verbiage.

**Riparian Restoration** – This line item addresses methods to mitigate river temperature, bacteria and mercury. Staff recommends appropriation of \$7,500 each year for perhaps ten years to help reduce temperature by planting trees to shade waterways including Rinearson Creek.

**Interfund Transfer to General Fund - Transfer** includes an amount to pay for related administrative costs.

CITY OF GLADSTONE  
2016-17 ADOPTED BUDGET  
WATER FUND 004 HIGHLIGHTS

**RESOURCES**

SDC charges are currently split 87% to the Water fund (004), and 13% to the Sewer Fund (003).

Once Master Plans and the accompanying financials are adopted by City Council, we anticipate changes to this verbiage.

**REQUIREMENTS**

This fund pays for a total of 3.69 FTE  
Public Works Director - .3  
Supervisor of Utilities - .34  
Utility Worker, Journey Maintenance - .5  
Utility Worker, Journey - 1.0  
Account Clerk - .4  
Administrative Assistant - .15  
Utility Worker, Journey - 1.0

**Oak Lodge Water Purchases** - This item funds water purchased through three system interties with Oak Lodge Water District (OLWD) in Valley View Road, Rinearson Road and in Oatfield Road. These interties increase water flow for fire protection, maintain water pressure in the upper and intermediate water pressure zones and may eliminate the need for additional reservoir storage. The City's upper pressure zone "floats" on the Oak Lodge Water District's (OLWD) View Acres reservoirs. Proposed expenditure for OLWD water purchases plus cost described below equals the city's total water purchase expense.

**NCCWC Purchases** - The City purchases an average 1.2 million gallons of "wholesale" water/day to serve 3334 city customers. The City purchased 2.5 million gallons of peak day water capacity or 10% equity ownership in the North Clackamas County Water Commission (NCCWC). The Commission consists of the City, Oak Lodge Water District, and the Sunrise Water Authority. A \$2.5 million debt was required to purchase the equity ownership requiring a rate component equivalent to about 33 cents/100 cubic feet. NCCWC "trues up" the cost for wholesale water at the end of each fiscal year based on actual NCCWC cost and city water consumption, and the city normally receives a credit.

**Water System Maintenance** – Gladstone maintains three water reservoirs, two pump stations, and about 40 miles of water pipe within its distribution system.

**Portland Regional Consortium Dues** - For water conservation, advertising and emergency planning in the metropolitan area.

**Laboratory Water Tests** – With the stage two Disinfection by-product rule from the EPA, the city is now required to test for three times the number of water samples for levels of Total Trihalomethanes (TTHMs), and Haloacetic Acids (HAA) contaminants.

**Uniforms & Safety Equipment** – Increase due to some safety equipment being outdated and needing replacement such as gas detector. Shoring and confined space, and uniforms.

**Meter Reading Contract** - Cost for bi-monthly reading by a private.

**Engineering Services** – We will need engineering services for non capital consulting.

**CITY OF GLADSTONE  
2016-17 ADOPTED BUDGET  
WATER FUND 004 HIGHLIGHTS**

**Department 004 - Water Department CONTINUED**

**Meter Replacements/Backflow** - The water department buys new instead of rebuilt water meters. New meters read water consumption more accurately and need less maintenance. This line item includes funds for purchasing backflow prevention devices for city facilities. This also includes BMI (Backflow Management Inc.) to monitor and implement the City's Backflow prevention program.

**Equipment Replacement Reserve** - The Water Fund's equipment schedule calls for purchase of a new Service truck. This reserve is proposed to increase by \$25,000 per fiscal year until a cap of \$250,000.

**Reserve from System Development Charges** - This line item is to help ensure proper accounting by keeping SDC revenue separate from other revenues and spent only for water capacity improvements listed in the city's Capital Improvement Plan.

**Water System Improvements** - When resources are totaled, the difference between the proposed expenditures and the expected resources is the amount in this Water System Improvements balancing line item.

**Bonded Debt Service Principal and Interest** 2005 - for the \$2.5 million in water treatment facility equity ownership as described on the previous page. In 2015, due to favorable market conditions, the Note was refunded. The refunding will saving the City approximately \$120,000 over the life of the note. The annual debt service payment for 2016-17 will be \$171,562. The current Debt Schedule on the next page.

**Full Faith & Credit Refunding of 2005 Note**

SEL 802

Rev 1/14: ORS 250.035, 250.041,  
250.275, 250.285, 254.095, 254.465

City

| Notice          |                        | Date of Election |
|-----------------|------------------------|------------------|
| Date of Notice  | Name of City or Cities |                  |
| August 14, 2015 | City of Gladstone      | November 3, 2015 |

The following is the final ballot title of the measure to be submitted to the city's voters.

**Final Ballot Title** Notice of receipt of ballot title has been published and the ballot title challenge process has been completed.

**Caption** 10 words which reasonably identifies the subject of the measure

Authorization to construct and incur debt to finance Civic Buildings

**Question** 20 words which plainly phrases the chief purpose of the measure

Shall Gladstone authorize the construction and incurrence of debt to finance new civic buildings each projected to cost of \$1,000,000?

**Summary** 175 words which concisely and impartially summarizes the measure and its major effect

**SUMMARY:** This measure authorizes the Gladstone City Council to incur debt by issuing municipal bonds to finance and construct a new Gladstone City Hall and a new Police Station. The buildings may be constructed on separate parcels.

Funding sources:

- Urban Renewal Agency funds - \$4.8 million (current account balance)
- Sale of certain City properties - \$3.0 million (estimate)
- State Revenue Sharing funds - \$890,000 (current account balance)
- Long-term debt – City will incur \$3,000,000 in debt to be repaid using future Urban Renewal Agency funds.

Estimated budget for the project would be \$4.0 million for the City Hall and \$7.2 million for the Police Station. This includes money to design, construct, finance, and acquire property for both buildings.

There are no new taxes associated with this proposal.

**Explanatory Statement** 500 words that impartially explains the measure and its effect, if required attach to this form

If the county is producing a voters' pamphlet an explanatory statement must be submitted for any measure referred by the city governing body and if required by local ordinance, for any initiative or referendum.

| Measure Type                                 | County producing voters' pamphlet       | Local ordinance requiring submission | Explanatory statement required          |
|--|---|--------------------------------------|---|
| <input checked="" type="checkbox"/> Referral | <input checked="" type="checkbox"/> Yes | <input type="checkbox"/> No          | <input checked="" type="checkbox"/> Yes |

**Notice of City Measure Election**

**City and Notice Information**

Notice is hereby given on July 8, 2014, that a measure election will be held in  
Gladstone Oregon on November 4, 2014.  
Name of City or Cities Date of Election

The following shall be the ballot title of the measure to be submitted to the city's voters:

Caption 10 words

Authorization to construct and incur debt to finance new library

Question 20 words

Shall Gladstone authorize the construction and incurrence of debt to finance a new library projected to cost over \$1,000,000?

Summary 175 words

This measure authorizes the Gladstone City Council to incur debt by issuing municipal bonds to finance and construct a new Gladstone library.

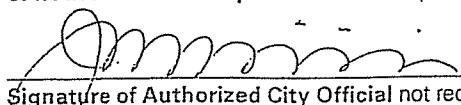

Funding sources:

- Clackamas County Capital Contribution – One time contribution \$1 million
- Library District Funds – One time contribution \$1.375 million
- Library District Funds - Continuing library support of approximately \$1.2 million annually, increased from \$631,000 the City currently receives. Annual Library District Funds will be used for library operating costs and to pay down library project debt estimated to total \$3.99 million (\$2.7 million principal and \$1.29 million interest)

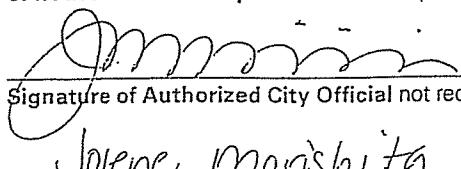

Estimated budget for the project would be \$6.365 million. This includes \$5.075 million to design, construct, finance, and acquire property for the new library plus \$1.29 million in interest. The \$6.365 million budget may increase if additional non-city/urban renewal funds are acquired. The approximately 13,000 to 16,000 square foot library would be constructed in the Portland Avenue area between Gladstone High School and Clackamas River.

There are no new taxes associated with this proposal. No City/urban renewal funds may be used to construct/operate new library.

*The following authorized city official hereby certifies the above ballot title is true and complete, which includes publication of notice and the completion of the ballot title challenge process.*

Total FTE 50.9400

**Policy 1 - Funds**

1. The City of Gladstone will maintain an orderly and logical fund structure that provides stakeholders with ready access to financial information
2. The City of Gladstone will conform to Generally Accepted Accounting Principles (GAAP) and the Government Finance Officers Association's best practices for establishing and maintaining funds.
3. The City of Gladstone will establish and maintain those funds required by law and sound financial administration. Acknowledging that unnecessary funds result in inflexibility, complexity, and inefficient financial administration, only the minimum number of funds consistent with legal and operating requirements will be established.
4. The criteria for establishing a new fund are variable, but include triggers such as;
  - a. Inauguration of a new dedicated revenue stream and a concurrent service.
  - b. The need for increased clarity of financial information.
  - c. The establishment of a new enterprise.
  - d. Covenants embodied in financing agreements.
  - e. Changes in state law or financial management/accounting standards
5. Only the Gladstone City Council has the authority to create or delete funds. The Council shall create or delete funds by resolution.

**Policy 2 - Budgeting**

1. The City of Gladstone budget process shall consist of activities that encompass the development, implementation, and evaluation of a plan for the provision of services and capital assets.
2. The purpose of the budget process is to help decision makers make informed choices about the provision of services and capital assets and to promote stakeholder participation in the process.

## Policy 2 - Budgeting continued

3. All budgetary procedures will conform to existing state and local regulations. Oregon budget law requires each local government to prepare a balanced budget and Oregon Administrative Rules state:
  - a. The budget must be constructed in such a manner that the total resources in a fund equal the total of expenditures and requirements for that fund, and
  - b. The total of all resources of the municipality must equal the total of all expenditures and all requirements for the municipality.
4. The Gladstone City Council shall adopt the budget at the fund, department, or program level (as appropriate to each fund) as a total dollar amount for all appropriations except contingency, unappropriated ending fund balance and reserves, which shall be stated separately.
5. Interfund Transfers shall be kept to a minimum. Interfund loans shall be documented in a resolution that cites the terms of the loan.
6. Budget forecasts will be created using an objective, analytical process incorporating applicable projections from the State of Oregon's latest Economic Forecast and conservative assumptions where State developed data is not available. Revenues will be estimated realistically and prudently using best practices as defined by the Government Finance Officers Association
7. Oregon budget law provides a means to adjust the budget for emergency expenditures or unforeseen circumstances. All resolutions adjusting the budget will be prepared by the Finance department for City Council approval to ensure compliance with budget laws.
8. In the City's effort to strive for excellence, beginning for fiscal year 2016-17, the City of Gladstone will make every effort to obtain the Award for Distinguished Budget Presentation from the Government Finance Officers Association (GFOA).
9. Reports comparing actual to budgeted expenditures will be prepared monthly by the Finance Department and distributed to the City Council, City Administrator and Department Managers.

**Policy 3 - Revenue**

1. City of Gladstone revenues are either unrestricted or dedicated. Unrestricted revenues can be used for any purpose. Dedicated revenues are restricted in the ways they can be used by federal or state regulations, contractual obligations, or by City Council action. The City of Gladstone will adhere to the restrictions applied to dedicated revenues.
2. The City of Gladstone will maintain a diversified revenue stream that is managed strategically to mitigate the impact of short term fluctuations in any revenue source.
3. The City of Gladstone will identify sustainable revenue levels and, to the extent possible, current operations will be funded by current sustainable revenues.
4. One-time revenues will be used for one-time expenditures or as contributions to reserves and will not be used to pay for established services.
5. The City of Gladstone will not respond to long-term revenue shortfalls with deficit financing and borrowing to support established services. Expenses will be reduced and/or revenues will be increased to conform to the long-term revenue forecasts
6. During the budget process, the Gladstone City Council will identify those programs which are to be supported in whole by cost recovery and ensure that revenue collections reflect the cost of providing associated services by adjusting fees accordingly.
7. The City of Gladstone will charge fees for services where such an approach is permissible, and where a limited and specific group of beneficiaries who can pay such charges is identifiable.
8. New or expanded unrestricted revenue streams should first be applied to support existing programs. When existing programs are adequately funded, such revenue may be used as contributions to reserves or to fund new or expanded programs.

**Policy 4 – Expenditures****Controls**

1. By resolutions, the City Council will establish a purchasing policy that conforms to state statutory requirements for purchasing and contracting and invests the City Administrator with purchasing and contracting authority.
2. By Budget and Supplemental Budget Resolutions, the City Council shall establish and limit expenditure appropriations by statutory categories. The City Administrator shall be responsible for limiting expenditures to those appropriation levels.

**Specific Expenditures**

1. **Personal Services.** Pursuant to the City Charter, the City Administrator or designee is responsible for the management of employee staffing and compensation. The City Administrator or designee shall negotiate salaries and benefits for represented employee groups in conformance with the Oregon Public Employees Collective Bargaining Act and the Employee Relations Board decisions and arbitration decisions that emanate from the Act.
2. **Capital Improvement Impacts.** Whenever Capital Improvement expenditures will result in increases to future operating expenses or asset replacement contributions, estimates of those impacts shall be incorporated into the long term financial plan.
3. **Capital Outlay.** By resolution the City Council shall define the characteristics of a capital asset by specifying the minimum purchase price and minimum term of service. The City will provide for adequate maintenance of Capital Assets.

## Policy 5 - Revenue Constraints and Fund Balance

### Nature of Constraints

The City of Gladstone will maintain the following categories of revenue constraints in conformance with GASB 54. Fund Balances shall be accounted for on the basis of these categories.

1. **Non-spendable.** Assets that are not in a spendable form or are required to be maintained intact.
2. **Restricted.** Cash that can be spent only for specific purposes stipulated by third parties or by statutes. Only the constraining party can lift constraints on Restricted funds.
3. **Committed.** Cash that can be used only as directed by formal action of City Council. Council action may be in the form of a motion or resolution. Only the City Council can lift constraints on committed funds. Such a change must be made using the same action that established the constraint.
4. **Assigned.** Cash the City intends to use for specific purposes. The City Council delegates the authority to create this constraint to the City Administrator. In addition, for all funds except the general fund, all cash not in one of the Non-spendable, Restricted, or Committed categories, or specifically assigned under this category will, by default be assigned to this category.
5. **Unassigned.** General Fund cash that is not otherwise categorized fund balance is the residual classification for the general fund and includes all amounts not contained in the other classifications.

### Other Considerations

1. **Stabilization.** The purpose of stabilization arrangements is to provide a revenue source to maintain service delivery during periods of diminished revenues. The City may choose to create stabilization arrangements either by creating new funds or dedicating revenues within existing funds. Stabilization arranges will be created by the City Council and the authorizing legislation shall include the policies on funding and accessing the arrangement.
2. **Order of Use.** If multiple categories of fund balance are applicable to an expenditure, the City shall access funds in the following order: Restricted, Committed, Assigned, and Unassigned.
3. **Purpose of Special Revenue Funds.** Special Revenue funds are general government funds created to track the use of dedicated revenues. The City legislation creating a special revenue fund will specify which specific revenues and other resources are authorized to be reported in the fund.
4. **Fund Balance.** Unrestricted fund balance is the sum of Committed, Assigned and Unassigned fund balance in any individual fund. In the General Fund, the City will maintain an Unrestricted fund balance of at least ten percent of fund revenue.

## Policy 6 - Continuing Disclosure

### **Continuing Disclosure In General**

Issuers of municipal securities and entities working on their behalf disclose material information to the marketplace such as annual financial information and material event notices. In December 2008, the Securities and Exchange Commission directed the Municipal Securities Rulemaking Board to establish a continuing disclosure service of the MSRB's Electronic Municipal Market Access (EMMA) system effective July 1, 2009. The continuing disclosure service of EMMA collects continuing disclosure documents from the issuer community and makes them available to the public for free through EMMA.

In conformance with the "Continuing Disclosure Certificate" entered into by the City of Gladstone in bond issuances, the City shall comply with Rule 15c2-12 of the Securities Exchange Act of 1934 (Exchange Act). As noted above, these disclosures generally are divided between submissions made to update financial or operating information about the issuer and notices that disclose the occurrence of specific events that may have an impact on the bonds. These disclosures are described below.

### **City Responsibility**

The Finance Director shall be responsible for adhering to the City's Continuing Disclosure Obligations.

**Debt** The City will borrow only to finance capital assets. The City will not borrow for operating purposes.

No bonds will mature more than 20 years from the date of issuance. No debt will be issued with a life exceeding the estimated useful life of the capital assets being financed. The City will limit bonded debt to 3% or less of total assessed value, as required by ORS 287.004. Repayment sources are identified for every debt prior to issuance.

**Policy 6 - Continuing Disclosure (continued)****Rule 15c2-12 Disclosures**

Rule 15c2-12 rule requires, for most new offerings of municipal securities, that the following types of information be provided to the MSRB's EMMA system:

1. Financial or operational information
  - a. Annual financial information concerning issuers or other obligated persons, or other financial information and operating data provided by issuers or other obligated persons
  - b. Audited financial statements for issuers or other obligated persons, if available
2. Event Notices
  - a. Principal and interest payment delinquencies
  - b. Non-payment related defaults, if material
  - c. Unscheduled draws on debt service reserves reflecting financial difficulties
  - d. Unscheduled draws on credit enhancements reflecting financial difficulties
  - e. Substitution of credit or liquidity providers, or their failure to perform
  - f. Adverse tax opinions, Internal Revenue Service (IRS) notices or material events affecting the tax status of the security
  - g. Modifications to rights of security holders, if material
  - h. Bond calls, if material
  - i. Tender offers
  - j. Defeasances, release, substitution, or sale of property securing repayment of the securities, if material
  - k. Rating changes
  - l. Bankruptcy, insolvency, receivership or similar event;
  - m. Merger, consolidation, or acquisition, if material; and appointment of a successor or additional trustee, or the change of name of a trustee, if material
  - n. Notices of failures to provide annual financial information on or before the date specified in the written agreement.

**Adopted Budget** - The final budget appropriations approved by the City Council, which becomes the budget of the City.

**AFSCME** – This is the acronym for American Federation of State, County and Municipal Employees. This organization is one of the union organizations representing the bargaining employees of the City.

**Accrual basis** - A method of timing in the recognition of transactions and events. Please see Modified accrual basis for the alternative method. Accrual basis records revenue when earned and expenses as soon as a liability is incurred.

**Approved Budget** – The budget recommended by the Budget Committee for adoption by the City Council.

**Appropriation** - Authorization to spend a specific amount of money. The City Council gives appropriation authority by adopting the budget.

**Assessed value** - The value set on real and personal property as a basis for imposing taxes. Assessed values are determined by Clackamas County.

**Budget** – A plan of financial operation embodying an estimate of proposed expenditures for a given purpose and/or period. The budget is the financial plan of the City's allocations of the resources to provide services, and to accomplish the City's objectives.

**Budget Calendar** – Key dates or events which a government follows in the preparation and adoption of the budget.

**Budget Committee** - A committee required by Oregon Local Budget Law (ORS 294.305) which must recommend a budget and approve the maximum tax levy.

**Budget Message** – A written explanation of the budget and the City's financial priorities presented to the Budget Committee by the City Administrator which is required by Oregon Local Budget Law, ORS 294.

**Budget Officer** - The City Administrator or other person appointed by the City Council to prepare the proposed budget. This designation is required by Oregon Local Budget Law (ORS 294.305)

**CAFR** - The Comprehensive Annual Financial Report, the audited report of the City's finances for the fiscal year.

**Capital Lease** - Lease of a capital asset. The lease may or may not result in the City's ownership of the item at the end of the lease term.

**Capital Assets** - Items which have a useful life of two or more years and a cost of \$5,000 or more. These include land, infrastructure, buildings, improvements other than buildings, vehicles, and certain furniture and equipment.

**Capital Improvement Plan (CIP)** - A schedule of planned capital projects and their costs, for three or more years.

**Capital Outlay** - Expenditures for capital assets. Includes all purchased capital assets. Expenditures for constructed capital projects appear in capital outlay, materials and services, and reimbursements, depending on the nature of the expenditure.

**Capital Projects** – Projects which purchase or construct capital assets. Typically a capital project encompasses a purchase of land and/or the construction of a building or facility.

**COLA** - Cost of living. A COLA increases all salaries at all classes and steps by the same percentage.

**Contingency** – An amount appropriated in anticipation that some operating expenditures will become necessary which cannot be foreseen and planned in the budget.

**Debt Service** - Principal and interest payments on long-term debt.

**Department** – Units within a division consisting of one or more.

**Enterprise Funds** - A fund that accounts for operations that are financed and operated in a manner similar to private business enterprises. They are usually self-supporting. The City's enterprise funds are the Water, Storm and Sanitary Sewer funds.

**Fiscal Year** - The twelve month period to which the operating budget applies. The City's fiscal year is July 1 through June 30.

**Franchise Fee** – Fees charged to utilities for the use of public right-of-way.

**FTE** - Full-Time Equivalent - A part-time position converted to the decimal equivalent of a fulltime position based on 2,080 hours per year.

**Fund** - A fiscal and accounting entity, segregating resources for the purpose of carrying on specific activities in accordance with legal restrictions.

**Fund Balance** - The amount of available, spendable, financial resources in any given fund at a specified date.

**GASB** - The Governmental Accounting Standards Board, the body that defines generally accepted accounting principles for governments.

**General Fund** – The City's primary operating fund. There are no restrictions as to the purpose in which the revenues in this fund can be used.

**General Obligation Bond (G. O. Bond)** – A government pledge of full faith and credit to the repayment of the bonds issued by the government. They are usually issued to pay for general capital improvements.

**GFOA** – Acronym for Government Finance Officers Association.

**Goal** – A statement of direction, purpose or intent based on the needs of the community, generally to be completed in a specified amount of time.

**GPA** – Gladstone Police Officers' Association union.

**Grant** – A donation or contribution by one government unit or organization to another. This is usually made to aid a specified purpose.

**Infrastructure** - Infrastructure are assets that are immovable and of value only to the City. It includes roads, bridges, curbs and gutters, sidewalks, drainage systems, lighting systems, and water and sewer systems.

**Interfund Loan** - A loan made by one fund to another and authorized by the City Council.

**Levy** - The amount of property tax certified by the City Council.

**Materials and Services** – Expendable items purchased for delivery of services. This includes supplies, repairs, maintenance and replacement parts that are not of capital nature.

**Mission** – Defines the primary purpose of the City.

**Modified Accrual** - A method of timing in the recognition of transactions and events. Please see Accrual basis for the alternative method. Modified accrual basis records revenue when earned, if they are collectible within the period or soon enough afterwards to be used to pay liabilities of the period. Expenditures are recorded when a liability is incurred except that debt service payments and other specific accrued liabilities are recognized only when payment is due.

**Objective** - What we want to accomplish. City-wide objectives are longer term than one year, cross departments, and/or are comprehensive in scope.

**Operating Budget** - Sources and uses necessary for day-to-day operations.

**Ordinance** – A formal legislative enactment by the governing body of a municipality. If it is not in conflict with any higher form of law, such as a state statute or constitutional provision, it has the full force and effect of law within the boundaries of the municipality to which it applies.

**ORS** - Oregon Revised Statutes, laws of the State of Oregon.

**Performance Measure** – Data collected to determine how effective or efficient a program is in achieving its objectives.

**PERS** – Acronym for Public Employees Retirement System. A State of Oregon defined benefit pension plan to which both employees and employer contribute.

**Personal Services** - Expenditures for payroll, payroll taxes, and employee benefits.

**Project** - Projects are distinct, with a definable result, process, and beginning and end. Projects are capital or operating.

**Property Tax Levy** – Based upon the assessed value of property and is used as the source of monies to pay general obligation debts and to support the general fund.

**PSU** – Acronym for Portland State University. The University prepares populations estimates each July 1 for all Oregon Municipalities.

**Reserved for Future Years** – An amount budgeted, but not appropriated, that is not anticipated to be spent in the fiscal year, but rather carried forward into future fiscal years.

**Resolution** – An action by the governing body which requires less formality and has a lower legal status than an ordinance.

**Resources** - Financial resources that are or will be available for expenditure during the fiscal year.

**Revenue** – The gross receipts and receivables that the City receives such as: tax payments, licenses, fines and forfeitures, grants and interest income.

**System Development Charges (SDC)** - Fees charged upon issuance of building permits to offset the cost of infrastructure improvements that are or will be required to provide capacity to serve the development. SDC's are charged for parks, water, sanitary, storm, and streets.

**Supplemental Budget** – Appropriations established to meet the needs not anticipated at the time the budget was adopted.

**Transfers** - Amounts moved from one fund to finance activities in another fund, with no requirement of repayment.

**TSP** – Acronym for Transportation System Plan. A long-range plan for transportation needs and facilities.

**Unappropriated Ending Fund Balance** – An amount set aside in the budget to be used as a cash carryover to the next year's budget; providing the local government with operating cash until tax money is received in November.

**Unrestricted Revenue** - Revenue that may be used for any legitimate City purpose. Please refer to "restricted revenue".

**URA** - The City of Gladstone Urban Renewal Agency. The Agency is a municipal corporation distinct from the City. The Gladstone City Council serves as the Board of Directors for the URA, and its' budget may be obtained from the City of Gladstone.

**URD** - The urban renewal district, the geographic area encompassed by the City of Gladstone Urban Renewal Agency.

**User Charges** - A fee charged for services to a person who directly benefits from the service.

**Uses** - The ways in which financial resources will be used during the fiscal year.

**NOTICE OF BUDGET COMMITTEE MEETING**  
**CITY OF GLADSTONE**

A public meeting of the Budget Committee of the City of Gladstone, Clackamas County, State of Oregon, to discuss the budget for the fiscal year July 1, 2016 to June 30, 2017, will be held at Gladstone City Hall 525 Portland Avenue, Gladstone, Oregon, 97027. The meeting will take place on Tuesday, April 19, 2016 at 6:30 pm.

The purpose of the meeting is to receive the budget message and to receive comment from the public on the budget. The meeting may be continued to May 3, 2016 unless subsequently noticed.

This is a public meeting where deliberation of the Budget Committee will take place. Any person may appear at the meeting and discuss the proposed programs with the Budget Committee.

A copy of the budget document may be inspected or obtained on or after April 12, 2016 at Gladstone City Hall, 525 Portland Avenue, between the hours of 8:00am and 5:00 pm.

A copy of the budget will also be available on the City of Gladstone website at [www.ci.gladstone.or.us](http://www.ci.gladstone.or.us).  
Publish 04/06, 04/13/2016.

**NOTICE OF PUBLIC HEARING**  
**FOR APPROVED USE OF STATE REVENUE SHARING FUNDS**  
**For the 2016-17 Budget**

A public hearing for the proposed use of the City of Gladstone's State Revenue Sharing Funds for the 2016-17 Budget Year will be held during the Budget Hearing on May 24, 2016, at 6:30 p.m. at City of Gladstone City Council Chambers on 525 Portland Ave., Gladstone, Oregon 97027. It is estimated that the funds available from State Revenue Sharing will be approximately \$220,000 for the 2016-17 fiscal year, and has been approved to be used as General Fund revenues for transfer to City Hall Capital Fund as voted on by the Gladstone voters November 3, 2015. The purpose of the hearing is to provide the public with an opportunity to speak about the use of these funds.

## RESOLUTION NO. 1076

### CITY OF GLADSTONE, OREGON

*A Resolution of the City Council of the City of Gladstone, Oregon, declaring the City of Gladstone's election to receive State Revenue Sharing funds (General funds of the State) in the fiscal year 2016-2017.*

**WHEREAS**, The City of Gladstone desires to receive state revenue sharing funds apportioned and distributed to the cities of the state during The fiscal year 2016-2017 as provided in ORS 221.770; and

**WHEREAS**, ORS 221.770(1)(a) requires that any city electing to receive a distribution must enact an ordinance or resolution expressing that election and file the same with the Oregon Department of Administrative Services no later than June 30<sup>th</sup>; and

**WHEREAS**, ORS 221.770(1)(b) requires that any city electing to receive a distribution must hold at least one public hearing at which citizens have the opportunity to provide written or oral comment on the possible uses of the distributions; and

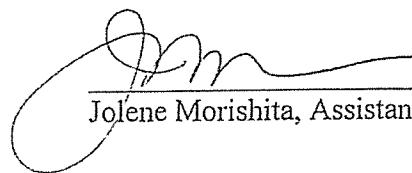

**WHEREAS**, the City of Gladstone Budget Committee held a public hearing on the use of State Revenue Sharing funds on April 19, 2016; and

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of the City of Gladstone, that the city hereby elects to receive its proportionate share of the state revenues for the 2016-2017 fiscal year pursuant to ORS 221.770 and has met the requirements of ORS 221.770(1) as certified in the declaration certificate.

This Resolution is adopted by the Gladstone City Council and approved by the Mayor this 14<sup>th</sup> day of June, 2016.

Attest:

CITY OF GLADSTONE, OREGON

CERTIFICATION

I, P. Eric Swanson, City Administrator certify that a public hearing before the Budget Committee was held on April 19, 2016 and a public hearing before the City Council on May 24, 2016, giving citizens the opportunity to comment on the use of state revenue sharing funds.

P. Eric Swanson, City Administrator

## RESOLUTION NO. 1077

### CITY OF GLADSTONE, OREGON

*A Resolution of the City Council of the City of Gladstone, Oregon, certifying the City of Gladstone is eligible in the 2016-2017 fiscal year to receive state shared revenues (Cigarette, Liquor, 911, and highway gas taxes as the city provides four or more municipal services.*

WHEREAS, ORS 221.760 provides as follows:

Section 1. The officer responsible for disbursing funds to cities under ORS 323.455, 366.785 to 366.820 and 471.805 shall, in the case of a city located within a county having more than 100,000 inhabitants according to the most recent federal decennial census, disburse such funds only if the city provides four or more of the following services:

- (1) Police protection
- (2) Fire protection
- (3) Street construction, maintenance, and lighting
- (4) Sanitary sewer
- (5) Storm sewers
- (6) Planning, zoning, and subdivision control
- (7) One or more utility services; and

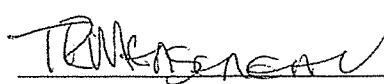

WHEREAS, city officials recognize the desirability of assisting state officers who are responsible for determining the eligibility of cities to receive such funds in accordance with ORS 221.760.

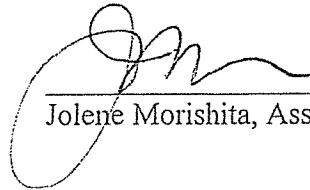

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Gladstone hereby certifies that it provides the following four or more municipal services as enumerated in Section 1, ORS 221.760:

- (1) Police protection
- (2) Fire protection
- (3) Street construction, maintenance, and lighting
- (4) Sanitary sewer
- (5) Storm sewers
- (6) Planning, zoning, and subdivision control
- (7) One or more utility services

This Resolution is adopted by the Gladstone City Council and approved by the Mayor this 14<sup>th</sup> day of June, 2016.

Attest:

#### IMPOSING THE TAX

BE IT RESOLVED, that the following ad valorem taxes are hereby imposed upon the assessed value of all taxable property within the district for tax year 2016-2017:

- 1) At the rate of \$4.8174 per \$1,000 of assessed value for permanent rate tax;
- 2) At the rate of \$0.68 per \$1,000 of assessed value for the Police/Communications local option tax;
- 3) At the rate of \$0.31 per \$1,000 of assessed value for the Fire/Emergency Medical local option tax

CATAGORIZING THE TAX

BE IT RESOLVED, that the taxes imposed are hereby categorized for purposes of Article XI section 11b as:

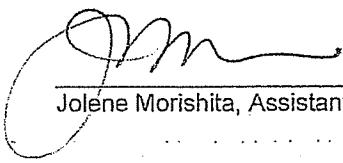

| SUBJECT TO GENERAL GOVERNMENT LIMITATION | EXCLUDED FROM LIMITATION |
|--|--------------------------|
| General Fund                             | \$4.8174/\$1000          |
| Police/Communications Levy Fund          | \$ 0.68/\$1000           |
| Fire/Emergency Medical Levy Fund         | \$ 0.31/\$1000           |

This resolution is effective July 1, 2016, the above resolution approved and the FY 2016-17 budget declared adopted on this 14<sup>th</sup> day of June, 2016.

Attest:

Thomas Mersereau, Mayor

Jolene Morishita, Assistant City Administrator

## RESOLUTION 1080

### **A RESOLUTION TO CREATE NEW FUNDS AND SET UP REVENUE AND EXPENDITURE ACCOUNTS FOR LIBRARY CAPITAL FUND AND CIVIC BUILDINGS CAPITAL FUND**

**WHEREAS**, City Council desires to create new funds to re-establish the Library Capital Fund and establish Civic Buildings Capital Fund. Voters approved measures in November 2015 which authorizes the City to construct and incur debt to finance a new Library and new Civic buildings.

**WHEREAS**, State budget law requires City Council adopt a resolution to create new funds

**NOW THEREFORE BE IT RESOLVED** by the Gladstone City Council:

That the City elects to establish a new fund for the LIBRARY CAPITAL FUND (006) AND CIVIC BUILDINGS CAPITAL FUND (Fund 011) as well as revenue, expenditure, asset, liability, and fund balance accounts as appropriate for both funds.

ADOPTED this 14<sup>th</sup> day of June 2016.

ATTEST:
