INDEPENDENT AUDITOR'S REPORT

Agency Officials
Gladstone Urban Renewal Agency
City of Gladstone, Oregon

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the governmental activities and the major fund of the Gladstone Urban Renewal Agency, a component unit of the City of Gladstone, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise City of Gladstone's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and major fund of the Gladstone Urban Renewal Agency, as of June 30, 2021, and the respective changes in financial position, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Gladstone Urban Renewal Agency, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Gladstone Urban Renewal Agency's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Gladstone Urban Renewal Agency's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may

involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Gladstone Urban Renewal Agency's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Gladstone Urban Renewal Agency's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the required supplementary information, such as management's discussion and analysis, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the management's discussion and analysis, as listed in the table of contents in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory section but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Reports on Other Legal and Regulatory Requirements

Other Reporting Required by Oregon Minimum Standards

In accordance with Minimum Standards for Audits of Oregon Municipal Corporations, we have also issued our report dated January 7, 2022, on our consideration of the Gladstone Urban Renewal Agency's compliance with certain provisions of laws and regulations, including the provisions of Oregon Revised Statutes as specified in Oregon Administrative Rules. The purpose of that report is to describe the scope of our testing of compliance and the results of that testing, and not to provide an opinion on compliance.

Gladstone Urban Renewal Agency
Management's Discussion and Analysis

Management staff of the Gladstone Urban Renewal Agency offers this executive summary of the financial activities of the Gladstone Urban Renewal Agency for the fiscal year ended June 30, 2021.

Financial Highlights

The liabilities of the Gladstone Urban Renewal Agency exceeded its assets at the close of the most recent fiscal year by (\$306,235) (net position). This amount partially represents the Agency's portion of the Notes Payable debt on the Gladstone Civic Center, completed in April 2020. The ending net position from the previous year of (\$1,101,405) has increased by \$795,170 over the past year. The Gladstone Civic Center was recorded as a physical asset of the City of Gladstone Governmental Activities, so did not increase assets within the Agency.

As of the close of the current fiscal year, the Gladstone Urban Renewal Agency's governmental fund reported a total ending fund balance of \$2,590,275. The difference between (\$306,235) unrestricted net position and the ending fund balance of \$2,590,275 is comprised of uncollected/unavailable property taxes and notes payable.

REPORT LAYOUT

This Management Discussion and Analysis (MD&A) is intended to serve as an introduction to the Gladstone Urban Renewal Agency's basic financial statements. The basic financial statements are comprised of three components: 1) entity-wide financial statements, 2) fund financial statements, and 3) notes to the basic financial statements. The report also contains other supplementary data in addition to the basic financial statements themselves.

Government-Wide Financial Statements

These two statements present an overview of the Agency's finances, in a manner similar to the private sector. Each statement presents highly condensed, entity-wide information and uses the full accrual basis of accounting.

The statement of net position presents information on the Agency's total assets and liabilities, with the resulting difference between the two presented as net position. Over time, increases or decreases to net position may serve as a useful indicator of whether the Agency's financial position is improving or deteriorating.

The statement of activities focuses on the change in net position from the prior year. The costs of the Agency's programs are presented and show to what extent governmental activities are subsidized by taxes and other general revenues.

Fund Financial Statements

Following the government-wide statements is a section containing fund financial statements. The Agency's General Fund is presented in its own column. A "Budgetary Comparison Statement" is included as part of the basic financial statements.

Notes to Basic Financial Statements

The notes provide additional information that is essential to a full understanding of the financial data provided in the entity-wide and fund financial statements. Completing the document is a report by the independent certified public accountant, as required by statute.

AGENCY AS A WHOLE

Entity-wide Financial Statements

Statement of net position at June 30, 2021. As noted earlier, net position may serve over time as a useful indicator of the Agency's financial position. Liabilities exceeded assets by (\$306,235) at the close of the most recent fiscal year.

By far the largest portion of the Agency's assets is cash and investments which have financial liquidity easily available for future spending. With the April 2020 completion of the Gladstone Civic Center construction, cash and investments are increasing in the 2020-21 year as illustrated below.

The following table reflects a summary of net position for fiscal years 2020-21 and 2019-20.

Governmental Activities. Governmental activities increased the Gladstone Urban Renewal Agency's net position by \$795,170 with the collection of property taxes and transfers of debt funds to the City.

Financial Analysis of the Agency's funds

Governmental Fund. The focus of the Gladstone Urban Renewal Agency's governmental fund is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the Agency's financial requirements. In particular, unrestricted net position may serve as useful measure of a government's net resources available for spending at the end of the fiscal year. The \$2,590,275 ending fund balance is fully available for Urban Renewal Development and retirement of annual debt service.

Budgetary Highlights. The Agency's General Fund original legal appropriations totaled \$16,666,000. No changes were made to the amounts and classifications of resources and appropriations within the fiscal year.

Capital Assets. The Gladstone Urban Renewal Agency has no capital assets. Upon completion of street improvements or building construction, the assets are transferred to the City of Gladstone.

Long-term Debt. At the end of the fiscal year, the Gladstone Urban Renewal Agency had an ending balance of \$2,923,634 in notes payable outstanding for the construction of the new city hall and police facility. Further information on this issue may be found in Note 6 - Long Term Debt in the Notes to the Financial Statements.

In response to 1997 state legislation, the Gladstone City Council, acting as officials of the Gladstone Urban Renewal Agency, at its April 1998 meeting, authorized \$23,000,000 in maximum indebtedness (adjusted for future inflation) for projects that could be financed over the next 30 years. As of June 30, 2021, the adjusted maximum indebtedness was \$23,589,427 with a remaining amount of \$2,280,839.

Economic Factors and Next Year's Budget. The future finances of the Agency will largely be expended on the future debt service of the Civic Center Project, completed in April 2020. With completion, further analysis and needs of the Agency can now be evaluated.

Requests for Information. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to City staff at 18505 Portland Avenue, Gladstone, 97027 or call 503.479.6860.

GLADSTONE URBAN RENEWAL AGENCY
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2021

(1) Description of the Agency and Summary of Significant Accounting Policies

The financial statements of the Agency have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP). GAAP statements include all relevant Governmental Accounting Standards Board (GASB) pronouncements.

A. Description of Reporting Entity

The Gladstone Urban Renewal Agency (the Agency) (a component unit of the City of Gladstone) was organized October 11, 1988 under the provisions of Oregon Revised Statutes, Chapter 457, to provide rehabilitation of blighted and deteriorated areas within the Agency's designated urban renewal area. The fiscal year ended June 30, 1998 was the first year property taxes were levied by the Agency. As provided by ORS 457, the City Council of the City of Gladstone is designated as the governing body of the Gladstone Urban Renewal Agency. Principle funding sources are property tax revenues and interest earnings. Fiscal and accounting functions are handled by personnel of the City of Gladstone.

The Agency is a legally separate entity governed by the City of Gladstone. The Agency Officials are not financially accountable for any other governmental entity. Financial accountability is determined in accordance with criteria set forth in GAAP, primarily on the basis of authority to appoint voting majority of an organization's governing body, ability to impose its will on that organization, the potential for that organization to provide specific benefits or impose specific financial burdens and that organization's fiscal dependency. The Agency is a blended component unit of the City of Gladstone and, as such is included in the financial statements of the City of Gladstone for the year ended June 30, 2021.

The Agency has no component units.

B. Basic Financial Statements

The Agency's financial operations are presented at both the agency-wide and fund financial levels. All activities of the Agency are categorized as governmental.

Agency-wide financial statements

The statement of net position and the statement of activities display information about the Agency as a whole.

The statement of activities presents a comparison between direct expenses and program revenues for the Agency's governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. The Agency reports no indirect expenses. The Agency reports no program revenues. Taxes and other items not properly included among program revenues are reported as general revenues.

Fund financial statements

These statements display information at the individual fund level. The fund is considered to be a separate accounting entity. Funds are classified and summarized as governmental, proprietary, and fiduciary. Currently the Agency has only one fund of the governmental fund type.

GLADSTONE URBAN RENEWAL AGENCY
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2021

C. Basis of Presentation

The financial transactions of the Agency are recorded in the General Fund. The fund is accounted for by providing a separate set of self-balancing accounts that comprises its assets, liabilities, deferred inflows of resources, fund balance, revenues and expenditures.

The GASB 34 model sets forth minimum criteria (percentage of the assets, deferred outflows of resources, liabilities, deferred inflows of resources, revenues or expenditures of either fund category) for the determination of major funds. For purposes of presentation, the Agency's fund is presented as a major fund.

General Fund - The General Fund is used to record expenditures related to capital improvements projects. Major sources of revenue are specific taxes that are legally restricted to expenditures for specific purposes.

D. Measurement Focus and Basis of Accounting

Measurement focus is a term used to describe which transactions are recorded with the various financial statements. Basis of accounting refers to when transactions are recorded regardless of the measurement focus.

The Agency-wide financial statements are reported using the *economic resources measurement focus* and the *full accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Agency considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting.

Since the governmental fund statements are presented on a different measurement focus and basis of accounting than the agency-wide statements, a reconciliation is necessary to explain the adjustments needed to transform the fund based financial statements into the agency-wide presentation. These reconciliations are part of the basic financial statements.

E. Cash and Investments

The Agency considers cash equivalents as all highly liquid investments with an original maturity of three months or less. Investments included in cash and cash equivalents are reported at fair value.

GLADSTONE URBAN RENEWAL AGENCY
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2021

F. Receivables and Property Tax Calendar

Uncollected property taxes receivable, which have been collected within sixty days following year-end are considered measurable and available and are recognized as revenue. The remaining balance is recorded as a deferred inflow of resources because it is not deemed available to finance operations of the current period. Property taxes are levied in July of each fiscal year. Property taxes attach as an enforceable lien on property as of July 1, and are payable in three installments on November 15, February 15, and May 15. All property taxes are billed and collected by Clackamas County and remitted to the Agency. Uncollected taxes, including delinquent amounts, are considered substantially collectible or recoverable through liens, and accordingly no allowance for uncollected taxes has been established. All property taxes receivable are due from property owners within the Agency's boundaries.

G. Long Term Obligations

In the government-wide financial statement, long-term debt and other long long-term obligations are reported as liabilities in the Statement of Net Position.

H. Deferred Inflows of Resources

In addition to liabilities, the statements will sometimes report a separate section for deferred inflows of resources. Deferred inflows of resources represent an acquisition of fund balance that applies to future periods and so will not be recognized as an inflow of resources (revenue) until that time. The Agency only has one type of item that qualifies for reporting in this category, which arises only under the modified accrual basis of accounting. Accordingly, the item "unavailable revenue," is reported only in the governmental funds balance sheet. The governmental funds report unavailable revenues from property taxes. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available.

I. Fund Balance

In the fund financial statements, fund balance for governmental funds is reported in classifications that comprise a hierarchy based primarily on the extent to which the Agency is bound to honor constraints on the specific purpose for which amounts in the funds can be spent. Fund balance is reported in five components – non-spendable, restricted, committed, assigned and unassigned. Currently, the Agency reports only one classification of fund balance – unassigned. This is the residual classification used for those balances not assigned to another category.

J. Use of Restricted Resources

When both restricted and unrestricted resources are available for use: it is the Agency's policy to use restricted resources first, then unrestricted resources, as they are needed. When unrestricted resources are available for use it is the Agency's policy to use committed resources first, then assigned, and then unassigned as needed.

K. Use of Estimates

In preparing the Agency’s financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(2) Stewardship, Compliance, and Accountability

A. Budgetary Information

On or before June 30 of each year, the Agency enacts a resolution adopting the budget, appropriating the expenditures, and levying the property taxes. Prior to enacting this resolution, the proposed budget is presented to a budget committee consisting of members of the Agency Board of Directors and a like number of interested citizens. The budget committee presents the budget to the Agency Board of Directors for budget hearings prior to enactment of the resolution. The Agency budgets all funds as required by Oregon Local Budget Law.

The resolution authorizing appropriations for the Agency’s fund sets the legal level of control by which expenditures cannot legally exceed appropriations. Expenditure categories of personal services, materials and services, capital outlay, debt service transfers, and contingency are the legal level of control for all other funds. The detail budget document, however, is required to contain more specific information for the above mentioned expenditure categories. Unexpected additional resources may be added to the budget through the use of a supplemental budget. A supplemental budget requires hearings before the public, publications in newspapers, and adoption by the Agency Board. Management may modify original and supplemental budgets by the use of appropriation transfers between the legal levels of control within a fund. Such transfers require approval by the Agency Board. Management may not amend the budget without seeking the approval of the Board. Appropriations lapse as of year-end.

(3) Cash and Cash Equivalents

At June 30, 2021 investments included in cash and cash equivalents of the Gladstone Urban Renewal Agency consist of the following:

	<u>Weighted Average Maturity (Years)</u>	<u>Fair Value</u>
Investments in the State Treasurer’s Local Government Investment Pool	<u>0.00</u>	<u>\$2,809,821</u>

A. Interest rate risk

The Agency does not have a formal investment policy that limits investments maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

GLADSTONE URBAN RENEWAL AGENCY

B. Credit risk

State statutes authorize the Gladstone Urban Renewal Agency to invest in general obligations of the U.S. Government and its agencies, certain bonded obligations of Oregon municipalities, bank repurchase agreements, bankers' acceptances, and the State Treasurer's Oregon Local Government Investment Pool, among others. The Agency has no investment policy that would further limit its investment choices.

C. Concentration of credit risk

The Gladstone Urban Renewal Agency does not currently have an investment policy for concentration of credit risk.

The State Treasurer's Investment Pool operates in accordance with appropriate state laws and regulations, but is not regulated by other laws, organizations or regulations. The reported value of the Pool is the same as the fair value of Pool shares. Investments are regulated by the Oregon Short-Term Fund Board and approved by the Oregon Investment Council (ORS 294.805 to 294.895). The Pool is not registered with the SEC as an investment company and is not rated.

D. Custodial credit risk – deposits

Custodial credit risk is the risk that in the event of a bank failure, the Agency's deposits may not be returned. The Agency does not have a deposit policy for custodial credit risk. The Federal Depository Insurance Corporation (FDIC) provides insurance for the Agency's deposits up to \$250,000 for the combined total of all deposit accounts at each financial institution. The remaining deposits are covered by the Public Funds Collateralization program (PFCP) of the State of Oregon in accordance with ORS 295. Depositories qualified under this program are required to pledge collateral against any public funds deposits in excess of deposit insurance amounts. This provides additional protection for public funds in the event of a bank failure or loss. ORS 295 sets the specific value of the collateral, as well as the types of collateral that are acceptable. ORS 295 creates a shared liability structure for participating depositories, better protecting public funds though still not guaranteeing that all funds are 100% protected. As of June 30, 2021, the book value and bank balance of the Agency's deposits was \$20,306. None of the Agency's bank balances were exposed to custodial credit risk as they were fully insured.

(4) Property Taxes

Property tax transactions for the year ended June 30, 2021, were as follows:

Tax Year	Taxes	2020-2021 Levy	Collections	Adjustments and Discounts	Taxes
	Receivable July 1, 2020				Receivable June 30, 2021
2020-2021	\$ -	\$ 1,036,946	\$ (992,291)	\$ (28,917)	\$ 15,738
2019-2020	16,215	-	(8,246)	(737)	7,232
2018-2019	5,925	-	(2,926)	(297)	2,702
2017-2018	3,241	-	(1,985)	(175)	1,081
2016-2017	1,277	-	(901)	(11)	365
2015-2016	373	-	(99)	(11)	263
Prior Years	1,565	-	(173)	(16)	1,376

(5) Risk Management

The Agency is exposed to various risks of loss related to torts, theft, damage or destruction of assets, errors and omissions, injuries to employees, and natural disasters. Except for unemployment compensation, the Agency purchases commercial insurance to minimize its exposure to these risks. There has been no reduction in commercial insurance coverage from fiscal year 2020 to 2021. Settled claims have not exceeded this commercial coverage for any of the past three years.

(6) Long Term Debt

A. Changes in General Long-Term Liabilities

During the year ended June 30, 2021 long-term liabilities activity was as follows:

Governmental Activities	2020	Additions	Reductions	2021	Amounts Due within One Year
	Note Payable - URA	\$ 3,368,427	\$ -	\$ 444,793	\$ 2,923,634

B. Direct Borrowings

On July 31, 2018, the City and Agency directly borrowed, in two separate transactions, a total of \$6,800,000 for construction of a new City Hall and Police Station within the Governmental Activities. Because of the co-mingled relationship of these borrowings, information on each transaction is described below:

- a. \$3,000,000 – General Fund Full Faith & Credit Note Payable – secured by the City’s full faith and credit and taxing power, but shall not entitle the lender to any lien on, or pledge of, specific properties or revenue of the City. The borrowing carries an interest rate of 3.00%. Interest is payable semi-annually on February 1

and August 1 of each year, and principal is payable annually on August 1 through 2029.

- b. \$3,800,000 – Urban Renewal Agency Note Payable – secured by the Master Borrowing Declaration for the Gladstone Urban Renewal Agency. Funds will be collected annually by the “Divide the Taxes” revenue as will be assessed through the Urban Renewal Agency. The borrowing carries an interest rate of 2.99%. Interest is payable semi-annually on February 1 and August 1 of each year, and principal is payable annually on August 1 through 2026.

The City/Agency may prepay all or any portion of each note, with prepayment applied first to accrued interest and then to principal. Both of the borrowings contain an event of default clause that allows the lender to increase the interest rate by 5.00%, if not cured within five days, while the event of default continues. However, the amounts due from the City/Agency shall not be subject to acceleration.

Annual debt service requirements to maturity for the Urban Renewal Agency direct borrowing is as follows:

Fiscal Year	Series 2018 Note Payable	
	Urban Renewal Agency	
	Principal	Interest
2022	\$ 458,092	\$ 80,568
2023	471,789	66,666
2024	485,896	52,349
2025	500,424	37,603
2026	515,387	22,418
2027	492,046	7,356

AUDIT COMMENTS AND DISCLOSURES

**INDEPENDENT AUDITOR'S REPORT
ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL
REPORTING ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH OREGON STATE REGULATION**

Agency Officials
Gladstone Urban Renewal Agency
City of Gladstone, Oregon

We have audited the basic financial statements of Gladstone Urban Renewal Agency, a component unit of the City of Gladstone, as of and for the year ended June 30, 2021 and have issued our report thereon dated January 7, 2022. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the provisions of the *Minimum Standards of Audits of Oregon Municipal Corporations*, prescribed by the Secretary of State.

Report on Compliance

As part of obtaining reasonable assurance about whether the Gladstone Urban Renewal Agency's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, including the provisions of Oregon Revised Statutes as specified in the Oregon Administrative Rules 162-10-0000 through 162-10-0330 of the *Minimum Standards for Audits of Oregon Municipal Corporations*, as set forth below, noncompliance with which could have a direct and material effect on the financial statements:

- Deposits of public funds with financial institutions (ORS Chapter 295).
- Indebtedness limitations, restrictions, and repayments.
- Budgets legally required (ORS Chapter 294).
- Insurance and fidelity bonds in force or required by law.
- Programs funded from outside sources.
- Highway revenues used for public highways, roads, and streets. The Gladstone Urban Renewal Agency does not receive highway funds.
- Authorized investment of surplus funds. (ORS Chapter 294).
- Public contracts and purchasing (ORS Chapters 279A, 279B, and 279C).
- Accountability for collecting or receiving money by elected officials. The Gladstone Urban Renewal Agency does not have any elected officials collecting or receiving money.

However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Minimum Standards for Audits of Oregon Municipal Corporations*.

Internal Control Over OAR 162-10-0230

In planning and performing our audit of the financial statements, we considered Gladstone Urban Renewal Agency’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Gladstone Urban Renewal Agency’s internal control. Accordingly, we do not express an opinion on the effectiveness of Gladstone Urban Renewal Agency’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Minimum Standards of Audits of Oregon Municipal Corporations*, prescribed by the Secretary of State, in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
