

What is a Community Academy?

The Community Academy is a 8-week program designed to provide Gladstone area residents first - hand information about their police department.

Participation in the Academy requires a commitment of one night a week for the 8-week period. Classes are held on Thursday evenings from 6:00 p.m. to 9:00 p.m.

What is the Purpose of the Academy?

The Academy is designed to increase understanding between community members and police. This is accomplished through education and interaction. Our intent is to collaborate with community members to help reduce crime while providing a better understanding of the tasks police officers face while at work. With better understanding, it becomes easier for police and community members to find realistic solutions to neighborhood problems.
