### OLD BUSINESS

- Repairs to the senior center are progressing and at this time only the kitchen remains to be finished. Colin is looking to reopen the second week in May after the facility has been cleaned and inspected. Food preparation will begin after inspection and when food delivery can be rescheduled.
- The Billiards room will remain a Billiards room due to the increase in use.
- A new company has been hired to finish the roof. Currently it is water-tight, but finishing of the flashing, and a portion over the kitchen remain to be completed. Scuppers will be added to address the issue of water flowing under the roof in heavy rain.

### COMMUNICATION

- Colin spoke about how the advertising for the re-opening for the center will be handled. It will be posted on the city website, city newsletter as well as being announced at current activities at the center. Perhaps, the Clackamas Review will do an article on the Grand reopening. (See new business for reopening plans)
- Email....please get connected to the city email.... if you need help, ask.

### NEW BUSINESS

- Annual Work Plan.....

- Copies of the proposed work plan were handed out for review of the advisory board. Discussion of current plan. Katie voiced concerns over the present work plan and wanted to include other concepts. Due to time, it was suggested that we adopt the current plans and complete some of the identified items. There are 4 more meetings, 1 in May, July and September and then in November we could review and set new plan.
- Questions were raised about how and what to measure. Requests were made to send suggestions on measurement to Linda for further discussion.

#### MEALS ON WHEELS

- There is a need for more drivers. If you or someone you know would like to help, encourage them to contact the senior center.

#### GALA FOR REOPENING OF CENTER

- There will be Sparkling Cider and donated food. Colin will keep us posted on what needs to be done.

#### GARDEN UPDATE:

- Nancy will get dirt in the planters and Roxanne has offered to sponsor the plants to be put in the planters.
- Colin was going to talk with the Rotary about helping with other aspects of the garden project.
