GLADSTONE TRAFFIC SAFETY BOARD MEETING MINUTES OF FEBRUARY 26, 2024

Meeting was called to order at approximately 6:30 P.M. (In Person/Via Zoom Platform).

PRESENT:

Vice Chair John Kihlstrum, Mindy Proski, Karlene Cox, Gabrielle Blaug, Tim Large, Council Liaison Vanessa Huckaby

ABSENT:

Chair Nathan Page

STAFF:

Kristi Walls, Executive Assistant; John Schmerber, Chief of Police

1. Call to Order – Roll Call:

2. Approval of January 22, 2024 Meeting Minutes:

Mindy Proski made a motion to approve the January 22, 2024 meeting minutes. Motion was seconded by Gabrielle Blaug. Ms. Walls took a roll call vote: John Kihlstrum – yes. Mindy Proski – yes. Gabrielle Blaug – yes. Karlene Cox – yes. Tim Large – yes.

3. Business from the Board – Vice Chair:

Vice Chair Kihlstrum reports accomplishments of the board from 2023 being their participation in community events, the crosswalk at Webster and Cason being installed and in working order, and the replacement of some of the school signs. Chief Schmerber added that the committee had discussed a goal to reduce speeds on Webster and that there is a current study being done by the county to bring the speed down to 30 miles per hour.

Chair Page and Vice Chair Kihlstrum discussed some goals and expectations for the board for 2024. Expectations include 100% participation on board activities so the work is spread out, feedback from Council and the Police Chief on the board's path and how they are doing on that path, and board participation in annual community events such as the bicycle rodeo, shred day/drug takeback, Fourth of July barbeque, Community Festival, and the Halloween event. Vice Chair Kihlstrum advised the board to review events now so they can schedule time accordingly. Chief Schmerber asked anyone on the board with creative talents to offer ideas on how to add more pizzazz to the Community Festival booth.

As part of the work plan, it is requested that the board review the Traffic Safety Plan for two years out so they understand what has already been proposed and is in the works so they can have the knowledge for potential future projects and so they can offer insight to residents who might have questions. Projects on that list can be reviewed for current relevance and priority shift suggestions. Council Liaison Huckaby added that understanding of the Traffic Safety Plan will help concerning the change in transportation and parking around the creation of a town center. Chief Schmerber suggested to the board to think about tolling and how to combine photo radar in the traffic plan. For photo radar, the questions are looking at the pros and cons as well as potential locations such as Arlington and 99 and/or 82nd Drive and Oatfield. Photo radar assignment would be in partnership with ODOT. For tolling, questions to be considered are how to address the cut throughs from Oatfield down to McLoughlin. The police department would like the board to vote on a list of slogans for each month that can go into the newsletter as a Traffic safety topic. Chief Schmerber asked the board if they would like to create the writeup for the monthly topic or if they would like the police department to do it. Vice Chair Kihlstrum suggested review of accidents, where they are occurring, and frequencies to consider if this board can offer suggestions to help alleviate high-accident areas.

An offer was made for the board to bring some locations where they would like to see the speed monitor trailer for a two-week period to gather traffic data for a particular area.

There was discussion around Dartmouth and a bike lane proposal on it, and a draft was given to the board with measurements and a draft design of the street that shows room for parking and bike lanes on both sides. This will shrink the driving space which will hopefully slow traffic down. In the agenda packet on page two is a bike lane proposal that came out of the traffic plan with some ideas where to put more bike lanes. The board was encouraged to review that and offer suggestions.

Vice Chair Kihlstrum followed up on some items. He asked about the youth liaison from the Council's work on creating a youth council. When the youth council is established, a list of potential candidates will be offered to the board to review. He also checked in on Public Works involvement on the board and was advised that they can schedule someone to come to the meeting if they have a topic they would like to discuss, but that Public Works cannot be at every meeting. Chief Schmerber let the board know that he has a meeting with department heads every Tuesday and can bring any questions to them and have an answer returned with a week as another option. Finally, he asked about the paving on Webster and what the plan is for that. Chief Schmerber let him know that this may be in development, and as soon as they know what the plan is that it will be shared with the board. He also suggested the board review the Public Works website for paving plans.

Suggestions were voiced from the board for a blinking crosswalk signal near the grade school where kids cross the street and more ADA compatibility for sidewalks. It is not known if there has been previous talks about the crosswalk sign, but the city has started to install ADA ramps for sidewalks. The board can review Public Works site for more details.

4. Round Table Discussion:

Mindy Proski asked who will be reaching out to the board with signups for the 2024 community events, and Chief Schmerber said the police department will put one together and get it out electronically to them.

Vice Chair Kihlstrum asked the board member in attendance if they attended the Oregon Ethics Government Training, and each member affirmed they had. He also asked Chief Schmerber what caused the increase in parking tickets that he saw in his monthly report. The chief advised that is the result of having a full time code enforcement officer available and enforcing parking complaints and violations.

Gabrielle Blaug had nothing further to add.

Karlene Cox had nothing further to add.

Tim Large had nothing further to add.

5. **Police Department Updates – Chief of Police John Schmerber:**

Chief Schmerber pointed to the monthly report for fiscal information and other recent activity. He highlighted some items for the board. The police department still receives and will continue to receive grant money for overtime shifts for traffic officers. The department is currently training new officers, so the public will see some 2-person cars working around town. He feels they got much better at organizing events, advertising, and community engagement and wants to continue making those bigger and better.

He reiterated the desire to really bring some creativity and fun to their Community Festival space with curb appeal and attractive games to draw people over and asked the board to help bring that to life. It was suggested that everyone on the committee come back to the next meeting with one or two game ideas. Ms. Walls let the board know about items that were recently purchased so they can include any of it in their planning.

He would like the board to continue to be open and ask questions, and his expectation is that there will be a response available for any questions within a week. At the same time, he asked that if the board is tasked with a project that they fulfill that obligation. He pointed out the FAQ page on the police department's website and encouraged the board to become familiar with it so they can point the public in that direction should they be asked.

6. **Community Input – Visitors:**

None.

7. **Adjourn:**

Tim Large made a motion to adjourn the meeting. The motion was seconded by Mindy Proski. The meeting was adjourned.

****Next meeting will be on April 22, 2024.**

GLADSTONE POLICE DEPARTMENT CHIEF'S MONTHLY REPORT TO CITY ADMINISTRATOR AND COUNCIL

CHIEF'S REPORT

March 2024

Greetings,

As you will see throughout this report, your police officers have been busy providing the necessary services to ensure safety and security of our community. The good work conducted by members of the police department is very much appreciated by me and I am sure you. I want to provide a hiring update for you.

The Police Department is currently training five new police officers. Two of our new hires are required by the State of Oregon to attend the academy, one reported to the academy last month and the second reported this month. The other three are currently training in Gladstone with Field Training Officers and have already completed State requirements of attending the Academy prior to their hire. The two in the Academy will spend 16 weeks training at the Department of Public Safety and Standards in Salem learning the fundamentals of policing. We are looking forward to these officers returning to Gladstone at the completion of their academy training where they will continue training with Field Training Officers for another thirteen weeks.

Over the next couple of months, we anticipate that the three officers, who have already attended the academy, will have successfully completed their field training. One of those three will be our School Resource Officer, Robbie Teague. During his training, Officer Teague has spent time in our schools getting to know the students and faculty of the Gladstone School District. Officer Teague's visibility in the schools, along with his Field Training Officer, have been very positive for the kids and faculty.

The two other officers in training, Richard Strom and Oscar Zacarias, will be assigned to patrol where they will also serve the community. Officer Storm brings 25 years of law enforcement experience to our community while Officer Zacarias is relatively new, brings youth and enthusiasm. All three officers bring great value to the organization/community and we look forward to see them serve the Gladstone community.

Have a safe and enjoyable month of April and enjoy the rest of the report.

Sincerely,

A handwritten signature in black ink, appearing to read "John Schmerber".

John Schmerber, Chief of Police

K9 MONTHLY REPORT

Prepared by: Officer Olson

March 2024

K9 Nanuk is a seven and a half year-old German shepherd born in Slovakia. At seven weeks old K9 Nanuk was sold to a man in Germany who started training K9 Nanuk. In Germany in order to breed a dog they must achieve a sport title. In Germany the primary sport is schutzhund. schutzhund training is comprised of three separate parts, they are obedience, tracking, and protection work. You can accomplish three levels of titles from this training. K9 Nanuk was imprinted with the beginning knowledge in schutzhund training however he was sold at a young age and he had not achieved a title. Most working dogs are sold to kennels where police agencies purchase them with some sport dog training up to titled dogs in sport training. The training is then adapted to police work.

Officer	K9 Deployments GPD	K9 Deployments Other Agencies	K9 Training Hours
Olson	0	3	14

K9 Nanuk had three deployments during the month of March. The first deployment was a possible burglary in progress in Oregon City. K9 Nanuk and I responded to assist Oregon City. We positioned ourselves outside of the building. It was determined not to be a burglary and K9 Nanuk and I cleared the scene.

The second call for service was for a wanted subject in Oregon City. The subject was hiding in an outdoor closet on the second floor of an apartment building. K9 Nanuk and I took up a position off the patio in case the subject jumped the railing and attempted to run. The subject was arrested without incident. K9 Nanuk and I cleared the scene.

The third call for service was a request for a K9 to search a restaurant that had been burglarized and there was belief the suspect might still be inside. K9 Nanuk searched the inside of the business and no one was located inside.

GLADSTONE POLICE DEPARTMENT OPERATIONS MONTHLY REPORT TO CHIEF AND COUNCIL

OPERATIONS MONTHLY REPORT

Prepared by Sgt. Graves

March 2024

03/04/24- Officers responded to Arlington and Mcloughlin Blvd on a report of highly intoxicated person at the bus stop. The Reporting Party, who was a family member, said the subject was walking in the roadway and was almost hit by traffic. The family member provided the subjects name and a records check showed them to have a felony warrant for their arrest. Officer were able to locate the subject, and after a brief foot chase were able to take the subject into custody without incident. He was booked on his outstanding warrant.

03/05/24- At approximately 2230 hrs. Officers were dispatched to a suspicious person in the 100 block of E Hereford. The Reporting Party reported the subject was trying front door handles of homes in the area. Officers were able to locate the described person a short distance away. A records check showed the subject to have outstanding warrants. They were taken into custody without incident and booked on their warrants. The subject appeared to have mental health issues and no other crimes were committed.

03/05/24- At approximately 2345 hrs. Officers were dispatched to a welfare check near the Macdonald's. The Reporting Party reported that his wife left the home with their child from Portland and has not been heard from in hours. The Reporting Party, was able to give an approximate location. Officers responded to the area and found the subject with the child. Other family members had arrived on scene as well. A records check showed the subject to have outstanding warrants for their arrest. They were taken into custody and booked on their warrants.

03/13/24- At approximately 0130 hrs. Officers were dispatched to the 1000 block of Portland Ave, on a report of an unwanted person on the property. Officers arrived on scene and located the subject one property over. The subject appeared to be very high, later admitted to taking mushrooms, and unable to care for themselves. Medical arrived on scene and the subject was placed on a Police Officer Hold requiring them to go to the hospital.

03/17/23- At approximately 2230 hrs Officers responded to the 19500 block of Mcloughlin Blvd on a traffic crash. It was reported there were 2 vehicles involved and one of them was in a building on the corner. Officer arrived and found the vehicle inside the coffee stand. All parties involved only suffered minor injuries. After a complete investigation, it was determined that the at fault driver most likely feel asleep at the wheel while driving south on Mcloughlin Blvd.

OPERATIONS MONTHLY REPORT Continued....

The vehicle crossed all north bound lanes of traffic, rear ending the other vehicle that was turning on to Dartmouth. The coffee stand was a total loss.

03/19/24- At approximately 2030 hrs. Officers responded to the 100 block of E Clackamas to assist on a CPR called. Officers and medics arrived on scene and life saving measures were conducted for over 30mins before the subject was pronounced deceased. During the initial investigation illegal drugs were located in proximity to subject. The medical examiner was called to the scene and a full investigation was conducted. It is most likely this death was caused by a drug overdose.

03/27/24- Officers responded to the Rivergreen Apartments on a report of a domestic disturbance. This apartment is well known by officers and have had to respond to the location several times. It was reported that a juvenile pepper sprayed a member of the family after a dispute. Officer arrived and conducted a full investigation. It was determined the juvenile that used the pepper spray did it within the law and no crimes were committed. All of the parties were separated for the night. DHS was contacted and a report was made to them about the living conditions and the incident.

03/29/24- At approximately 0300 hrs. Officers responded to the Rivergreen Apartments, again to the same apartment as listed above, on a disturbance. It was reported that 10 to 12 people were fighting. Officers arrived on the chaotic scene and took control. There were several adults

GLADSTONE POLICE DEPARTMENT OPERATIONS MONTHLY REPORT TO CHIEF AND COUNCIL

and juveniles in a state of intoxication on scene. During the investigation it was determined that 2 juveniles and 1 adult assaulted another adult in the home. The 2 juveniles and 1 adult

OPERATIONS MONTHLY REPORT Continued....

were arrested for felony level assault charges. The subject was transported to the hospital with sever injures. There are several other charges pending for other subjects on scene. DHS again was contacted and a report was made to them about the living conditions and this incident.

Officer competed 15 DHS Referrals this month.

GLADSTONE POLICE DEPARTMENT OPERATIONS MONTHLY REPORT TO CHIEF AND COUNCIL

OPERATIONS MONTHLY REPORT

Prepared by Sgt. Hutchinson

March 2024

March 1: Officers responded to a domestic disturbance between a couple. The male was armed with a machete and the female was armed with a baseball bat. They had a child in the apartment. There were no injuries as both parties only threatened each other with the weapons. The male then threatened another male at the residence. He was arrested for menacing.

Officers responded to an agency assist for Milwaukie Police. They were looking for an endangered missing juvenile. Officers responded to an address in Gladstone looking for the juvenile. The juvenile was located with her stepbrother at the location, but no arrests were made. The juvenile was then taken to JRC until her parents could pick her up.

March 2: Officers responded to a parked DUII at Heavenly Donuts. The driver had driven an employee to the location and both were visibly intoxicated. The driver admitted to drinking at home and after arriving. The driver had a misdemeanor suspended license and he was arrested for driving with a suspended license.

March 7: Officers assisted Oregon City PD and Clackamas County Sheriff's Office with a pursuit that went along I205 and ended up near Winco on 82nd Ave. Officers attempted to assist with spike strips on I205, but were unsuccessful. The suspects were eventually arrested near the Winco with the assistance of the CCSO plane that was monitoring up above.

Officers responded to an assist fire call where a female had become unconscious. Officers assisted in CPR and clearing the area for medical so they could transport the female to the hospital. She had a stable pulse when transported and a cause of the medical emergency was possibly related to her previous medical conditions of a stroke and drug use.

March 13: Officers responded to a crash on 99E near W Arlington. One vehicle was attempting to merge to the turning lane to avoid a stalled vehicle. All information was exchanged and the vehicle were cleared from the scene. No citations issued and fortunately no injuries were reported.

GLADSTONE POLICE DEPARTMENT OPERATIONS MONTHLY REPORT TO CHIEF AND COUNCIL

OPERATIONS MONTHLY REPORT Continued....

March 14: Officers assisted Oregon City on a vehicle pursuit. Officers set up with spikes on Mcloughlin Blvd in case they fled in that direction, but the vehicle ultimately was stopped on I205 far north of the city. Officers monitored the pursuit but did not assist from there.

March 20: Officers took a report of a hit and run that occurred in the parking lot of the Safeway. The caller is an employee who came in for a morning shift and discovered the damage to her vehicle in the afternoon. A check from Safeway security of the video did not lead to any suspect vehicle information.

March 21: Gladstone Officers conducted a traffic stop of two vehicles on Mcloughlin Blvd that were reported as a possible road rage. Both vehicles ended up pulling over on 99E in Oregon City. Both drivers were juveniles and both were impaired on alcohol and marijuana. A DUI investigation was conducted on both drivers and both were arrested. Their vehicles were impounded and their marijuana was seized as they were underage.

Officers responded to a traffic crash at the intersection of Portland Ave and Gloucester. One party was still on scene when officers arrived, but the other party left their information. The at fault driver was still on scene, she had turned in front of the other vehicle stating that she did not see them. No injuries were reported and information was exchanged.

March 23: Officers responded to a report of a menacing with a gun on Tim's View Rd in Gladstone. Multiple people called regarding a vehicle speeding on the roadway. One of the homeowners had a gun on him during the disturbance. Both parties separated prior to our arrival. The other party stated the man pointed the gun at him, but all witnesses stated the gun was never pointed at anyone but the ground. No arrests were made from the incident, but it was referred to the city prosecutor.

GLADSTONE POLICE DEPARTMENT OPERATIONS MONTHLY REPORT TO CHIEF AND COUNCIL

OPERATIONS MONTHLY REPORT Continued....

Officers responded to a domestic disturbance at the Rivergreen Apartments. When we arrived a male was located outside of his apartment wearing nothing but a shirt. The caller was inside the apartment. The caller had bite marks on his arms and back that were recent. He claimed the other man, his domestic partner, had punched him and bit him over an argument. The suspect was arrested for Assault and transported to the jail.

SEWER:

- Sewer line cleaning was completed; crews finished the upper zone of the city.
- Known sewer hotspots were cleaned for the winter quarter.
- The sewer CCTV truck crew has been working to locate sewer laterals ahead of the Infiltration & Inflow Project, which will be getting underway in the coming weeks.
- Crews have flushed the known problematic manholes in town.

STORM:

- Crews have been monitoring and clearing city headwalls before, during, and after, rain events.
- The storm crew has been placing storm curb markers on catch basins that have not already had markers placed.

PARKS:

- Trash pick-up & Bathrooms cleaned in all parks two days a week.
- New park amenities were installed at Nick Shannon Park. Crews installed two picnic tables and a trashcan earlier this month at the neighborhood park. Additional amenities will be installed in various parks in the coming months
- Pressure washing hard surfaces in all City parks has been completed for the season.

Baseball & Softball field prep is underway; four of the six fields are completed and are ready for play. Once games start, crews will continue to maintain and prep the fields for game days.

STREETS:

- Pothole repair is in full force around town, we are receiving phone calls and emails daily reporting potholes. Crews are out patching as often as they are able.
- Crews continue to work on skin patching in areas around town when the weather is cooperating.

ADMINISTRATION:

- Completed MS4 Stormwater Management Program tracking and reporting gaps.
- Performed technical design reviews on seven improvement projects.
- Coordinated with private contractor to complete the rehabilitation of the manhole at 660 82nd Dr.
- Coordinated with BMI to conduct quarterly water system disinfection byproducts sampling (DBP sampling).
- Working with Clackamas County WES to develop a scope of work and IGA for WES to perform MS4 Permit required stormwater sampling and lab work on the City's behalf.
